

MEMORANDUM

TO: ALL INTERESTED PARTIES

FROM: LSC Office of Program Performance

RE: Applicants' Informational Session

LSC will hold an Applicants' Informational Session (AIS), on Wednesday, May 6, 2009 (2:00 p.m. E.D.T.). This is a free telephonic conference sponsored by LSC to assist applicants in preparing the competitive grant application and to promote participation in the competitive grants process. The conference is scheduled to last approximately two hours, depending on the number of questions received from participants. All interested parties are encouraged to participate. Please note that LSC has revised the RFP for 2010 to reflect the LSC Performance Criteria and has also launched a new automated system that Applicants will use to file competitive grant and grant renewal applications. The AIS panel will discuss these topics and respond to Applicant questions during the conference.

Registration Deadline:

Participants should register for the conference by April 23, 2009. A registration sheet is included below. If you plan to participate, complete the registration sheet and e-mail it to LSC at AISitems@lsc.gov as either an MS Word document or a portable document format (PDF) file.

As part of the registration process, participants are asked to provide up to five questions, pertaining to the LSC competitive bidding process. Panel members will answer participant inquiries during the conference. Having participant questions in advance allows the conference panel to organize its discussion around the interests of participants, and efficiently respond to applicant questions.

Conference format:

The conference will be provided in "listen only" format (i.e., participants can listen to the panel discussion, but cannot orally ask questions of the panel members).

During the telephonic conference, additional questions may be submitted to the panel by e-mail. (You may use your Registration Form for e-mailing additional questions. Prior to submitting your registration, please make copies of the form as necessary.)

The panel will respond to questions e-mailed throughout the conference and address the requirements of a qualified grant proposal, the RFP, and the competitive bidding process. The panel will not divulge participant names.

Conference Questionnaire:

A brief questionnaire is also provided below. Its purpose is to allow you to evaluate the effectiveness of this conference. Please e-mail your completed questionnaire at the conclusion of the conference.

Instructions for participating in the informational session including the toll-free conference number will be made available to applicants upon receipt of their registration.
