§ 1602.1 Purpose.

This part contains the rules and procedures the Legal Services Corporation follows in making records available to the public under the Freedom of Information Act.

§ 1602.2 Definitions.

As used in this part—

(a) *Commercial use request* means a request from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made. In determining whether a requester properly belongs in this category, the Corporation will look to the use to which a requester will put the documents requested. When the Corporation has reasonable cause to doubt the requester's stated use of the records sought, or where the use is not clear from the request itself, it will seek additional clarification before assigning the request to a category.

(b) *Duplication* means the process of making a copy of a requested record pursuant to this part. Such copies can take the form of paper copy, microform, audio-visual materials, or machine readable electronic documents, among others.

(c) *Educational institution* means a preschool, a public or private elementary or secondary school, an institution of undergraduate or graduate higher education, or an institution of professional or vocational education which operates a program or programs of scholarly research.

(d) *FOIA* means the Freedom of Information Act, 5 U.S.C. 552.

(e) *Non-commercial scientific institution* means an institution that is not operated on a "commercial" basis and which is operated solely for the pur-

45 CFR Ch. XVI (10–1–09 Edition)

pose of conducting scientific research, the results of which are not intended to promote any particular product or industry.

(f) *Office of Inspector General records* means those records as defined generally in this section which are exclusively in the possession and control of the Office of Inspector General of the Legal Services Corporation.

(g) *Records* means books, papers, maps, photographs, or other documentary materials, regardless of whether the format is physical or electronic, made or received by the Corporation in connection with the transaction of the Corporation's business and preserved by the Corporation (either directly or maintained by a third party under contract to the Corporation for records management purposes), as evidence of the organization, functions, policies, decisions procedures, operations, or other activities of the Corporation, or because of the informational value of data in them. The term does not include, inter alia, books, magazines, or other materials acquired solely for library purposes.

(h) *Representative of the news media* means any person or entity that gathers information of potential interest to a segment of the public, uses its editorial skills to turn the raw materials into a distinct work, and distributes that work to an audience. In this clause, the term "news" means information that is about current events or that would be of current interest to the public. Examples of news media entities are television or radio stations broadcasting to the public at large and publishers of periodicals (but only if such entities qualify as disseminators of "news") who make their products available for purchase by or subscription by or free distribution to the general public. These examples are not all-inclusive. Moreover, as methods of news delivery evolve (for example, the adoption of the electronic dissemination of newspapers through telecommunications services), such alternative media shall be considered to be news media entities. A freelance journalist shall be regarded as working for a news media entity if the journalist

Legal Services Corporation

§ 1602.5

can demonstrate a solid basis for expecting publication through that entity, whether or not the journalist is actually employed by the entity. A publication contract would present a solid basis for such an expectation; the Corporation may also consider the past publication record of the requester in making such a determination.

(i) *Review* means the process of examining documents located in response to a request to determine whether any portion of any such document is exempt from disclosure. It also includes processing any such documents for disclosure. Review does not include time spent resolving general legal or policy issues regarding the application of exemptions.

(j) *Search* means the process of looking for and retrieving records that are responsive to a request for records. It includes page-by-page or line-by-line identification of material within documents and also includes reasonable efforts to locate and retrieve information from records maintained in electronic form or format. Searches may be conducted manually or by automated means and will be conducted in the most efficient and least expensive manner.

(k) *Submitter* means any person or entity from whom the Corporation receives grant application records.

[63 FR 41196, Aug. 3, 1998, as amended by 68 FR 7437, Feb. 14, 2003; 73 FR 67793, Nov. 17, 2008]

§ 1602.3 Policy.

The Corporation will make records concerning its operations, activities, and business available to the public to the maximum extent reasonably possible. Records will be withheld from the public only in accordance with the FOIA and this part. Records exempt from disclosure under the FOIA may be made available as a matter of discretion when disclosure is not prohibited by law, and disclosure would not foreseeably harm a legitimate interest of the public, the Corporation, a recipient, or any individual.

§ 1602.4 Records published in the Federal Register.

The Corporation routinely publishes in the FEDERAL REGISTER information

on its basic structure and operations necessary to inform the public how to deal effectively with the Corporation. The Corporation will make reasonable efforts to currently update such information, which will include basic information on the Corporation's location, functions, rules of procedure, substantive rules, statements of general policy, and information regarding how the public may obtain information, make submittals or requests, or obtain decisions.

§ 1602.5 Public reading room.

(a) The Corporation will maintain a public reading room its office at 3333 K St. NW., Washington, DC, 20007. This room will be supervised and will be open to the public during the regular business hours of the Corporation for inspecting and copying records described in paragraph (b) of this section.

(b) Subject to the limitation stated in paragraph (c) of this section, the following records will be made available in the public reading room:

(1) All final opinions, including concurring and dissenting opinions, and orders issued in the adjudication of cases;

(2) Statements of policy and interpretations adopted by the Corporation that are not published in the FEDERAL REGISTER;

(3) Administrative staff manuals and instructions to the staff that affect the public or recipients;

(4) Copies of records, regardless of form or format, released to any person in response to a public request for records pursuant to §1602.8 which the Corporation has determined are likely to become subject to subsequent requests for substantially the same records, and a general index of such records;

(5) The current index required by §1602.7;

(6) To the extent feasible, other records considered to be of general interest to recipients or members of the public in understanding activities of the Corporation or in dealing with the Corporation in connection with those activities.

(c) Certain records otherwise required by FOIA to be available in the public reading room may be exempt

§ 1602.6

from mandatory disclosure pursuant to section 552(b) of the FOIA and §1602.9. Such records will not be made available in the public reading room. Other records maintained in the public reading room may be edited by the deletion of identifying details concerning individuals to prevent a clearly unwarranted invasion of personal privacy. In such cases, the record shall have attached to it a full explanation of the deletion. The extent of the deletion shall be indicated, unless doing so would harm an interest protected by the exemption under which the deletion is made. If technically feasible, the extent of the deletion shall be indicated at the place in the record where the deletion was made.

(d) Records required by the FOIA to be maintained and made available in the public reading room that are created by the Corporation on or after November 1, 1996, shall be made available electronically. This includes the index of published and reading room records, which shall indicate which records are available electronically.

(e) Most electronic public reading room records will also be made available to the public on the Corporation's websites at <http://www.lsc.gov> and <http://oig.lsc.gov>.

[63 FR 41196, Aug. 3, 1998, as amended by 68 FR 7437, Feb. 14, 2003; 73 FR 67793, Nov. 17, 2008]

§ 1602.6 Procedures for use of public reading room.

Any member of the public may inspect or copy records described in §1602.5(b) in the public reading room during regular business hours. Because it will sometimes be impossible to produce records or copies of records on short notice, a person who wishes to inspect or copy records is advised to arrange a time in advance, by telephone or letter request made to the Office of Legal Affairs. Persons submitting requests by telephone will be notified whether a written request would be advisable to aid in the identification and expeditious processing of the records sought. Written requests should identify the records sought in the manner provided in §1602.8(b) and should request a specific date for inspecting the records. The requester will be advised

45 CFR Ch. XVI (10–1–09 Edition)

as promptly as possible if, for any reason, it may not be possible to make the records sought available on the date requested.

[63 FR 41196, Aug. 3, 1998, as amended by 68 FR 7437, Feb. 14, 2003]

§ 1602.7 Index of records.

The Corporation will maintain a current index identifying any matter within the scope of §1602.4 and §1602.5(b) (1) through (5). The index will be maintained and made available for public inspection and copying at the Corporation's office in Washington, DC. The cost of a copy of the index will not exceed the standard charge for duplication set out in §1602.13(e). The Corporation will also make the index available on its websites.

§ 1602.8 Requests for records.

(a) Except for records required by the FOIA to be published in the FEDERAL REGISTER (§1602.4) or to be made available in the public reading room (§1602.5), Corporation records will be made promptly available, upon request, to any person in accordance with this section, unless it is determined that such records should be withheld and are exempt from mandatory disclosure under the FOIA and §1602.9.

(b) Requests. Requests for records under this section shall be made in writing, with the envelope and the letter or e-mail request clearly marked Freedom of Information Act Request. All such requests shall be addressed to the Corporation's Office of Legal Affairs or, in the case of requests for records maintained by the Office of Inspector General, to the Office of Inspector General. Requests by letter shall use the address given in §1602.5(a). E-mail requests shall be addressed to FOIA@lsc.gov or, in the case of requests for records maintained by the Office of Inspector General, FOIA@oig.lsc.gov. Any request not marked and addressed as specified in this paragraph will be so marked by Corporation personnel as soon as it is properly identified, and will be forwarded immediately to the Office of Legal Affairs, or as appropriate, the Office of Inspector General. A request improperly addressed will only be deemed to have been received as in accordance

Legal Services Corporation

§ 1602.8

with paragraph (i) of this section. Upon receipt of an improperly addressed request, the General Counsel or designee (or Counsel to the Inspector General or designee) shall notify the requester of the date on which the time period began.

(c) A request must reasonably describe the records requested so that employees of the Corporation who are familiar with the subject area of the request are able, with a reasonable amount of effort, to determine which particular records are within the scope of the request. If it is determined that a request does not reasonably describe the records sought, the requester shall be so informed and provided an opportunity to confer with Corporation personnel in order to attempt to reformulate the request in a manner that will meet the needs of the requester and the requirements of this paragraph.

(d) To facilitate the location of records by the Corporation, a requester should try to provide the following kinds of information, if known:

- (1) The specific event or action to which the record refers;
- (2) The unit or program of the Corporation which may be responsible for or may have produced the record;
- (3) The date of the record or the date or period to which it refers or relates;
- (4) The type of record, such as an application, a grant, a contract, or a report;
- (5) Personnel of the Corporation who may have prepared or have knowledge of the record;
- (6) Citations to newspapers or publications which have referred to the record.

(e) The Corporation is not required to create a record or to perform research to satisfy a request.

(f) Estimated fees. The Corporation shall advise the requester of any estimated fees as promptly as possible. The Corporation may require that fees be paid in advance, in accordance with § 1602.13(i), and the Corporation will advise a requester as promptly as possible if the fees are estimated to exceed \$25 or any limit indicated by the requester.

(g) Any request for a waiver or reduction of fees should be included in the FOIA request, and any such request should indicate the grounds for a waiver

or reduction of fees, as set out in § 1602.13(f). The Corporation shall respond to such request as promptly as possible.

(h) Format. The Corporation will provide records in the form or format indicated by the requester to the extent such records are readily reproducible in the requested form or format.

(i)(1)(i) The General Counsel or designee, upon request for any records made in accordance with this section, except in the case of a request for Office of Inspector General records, shall make an initial determination of whether to comply with or deny such request and dispatch such determination to the requester within 20 days (excepting Saturdays, Sundays and legal public holidays) after receipt of such request, except for unusual circumstances, in which case the time limit may be extended for up to 10 working days by written notice to the requester setting forth the reasons for such extension and the date on which a determination is expected to be dispatched.

(ii) In the case of a request for any Office of Inspector General records made in accordance with this section, the Counsel to the Inspector General or designee shall make an initial determination of whether to comply with or deny such request and dispatch such determination to the requester within 20 days (excepting Saturdays, Sundays and legal public holidays) after receipt of such request, except for unusual circumstances, in which case the time limit may be extended for up to 10 working days by written notice to the requester setting forth the reasons for such extension and the date on which a determination is expected to be dispatched.

(i)(2)(i) If the General Counsel or designee determines that a request or portion thereof is for the Office of Inspector General records, the General Counsel or designee shall promptly refer the request or portion thereof to the Office of Inspector General and send notice of such referral to the requester. If the Counsel to the Inspector General or designee determines that a request or portion thereof is for Corporation records not maintained by the Office of Inspector General, the Counsel to the

§ 1602.8

45 CFR Ch. XVI (10–1–09 Edition)

Inspector General or designee shall promptly refer the request or portion thereof to the Office of Legal Affairs and send notice of such referral to the requester.

(ii) The 20-day period under paragraph (i)(1) of this section shall commence on the date on which the request is first received by the appropriate Office (the Office of Legal Affairs or the Office of Inspector General), but in no event later than 10 working days after the request has been received by either the Office of Legal Affairs or the Office of Inspector General. The 20-day period shall not be tolled by the Office processing the request except that the processing Office may make one request to the requester for information pursuant to paragraph (c) of this section and toll the 20-day period while it is awaiting such information that it has reasonably requested from the requester under this section; or, if necessary to clarify with the requester issues regarding fee assessment. In either case, the processing Office's receipt of the requester's response to such a request for information or clarification ends the tolling period.

(3) Unusual circumstances. As used in this part, "unusual circumstances" are limited to the following, but only to the extent reasonably necessary for the proper processing of the particular request:

(i) The need to search for and collect the requested records from establishments that are separate from the office processing the request;

(ii) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(iii) The need for consultation, which shall be conducted with all practicable speed, with another agency or organization, such as a recipient, having a substantial interest in the determination of the request or among two or more components of the Corporation having substantial subject matter interest therein.

(j) If a request is particularly broad or complex so that it cannot be completed within the time periods stated in paragraph (i) of this section, the

Corporation may ask the requester to narrow the request or agree to an additional delay.

(k) When no determination can be dispatched within the applicable time limit, the General Counsel or designee or the Counsel to the Inspector General or designee shall inform the requester of the reason for the delay, the date on which a determination may be expected to be dispatched, and the requester's right to treat the delay as a denial and to appeal to the Corporation's President or Inspector General, in accordance with §1602.12. If no determination has been dispatched by the end of the 20-day period, or the last extension thereof, the requester may deem the request denied, and exercise a right of appeal in accordance with §1602.12. The General Counsel or designee or the Counsel to the Inspector General or designee may ask the requester to forego appeal until a determination is made.

(l) After it has been determined that a request will be granted, the Corporation will act with due diligence in providing a substantive response.

(m)(1) Expedited treatment. Requests and appeals will be taken out of order and given expedited treatment whenever the requester demonstrates a compelling need. A compelling need means:

(i) Circumstances in which the lack of expedited treatment could reasonably be expected to pose an imminent threat to the life or physical safety of an individual;

(ii) An urgency to inform the public about an actual or alleged Corporation or Federal government activity and the request is made by a person primarily engaged in disseminating information;

(iii) The loss of substantial due process rights; or

(iv) A matter of widespread and exceptional media interest in which there exist possible questions about the Corporation's or the Federal government's integrity which affect public confidence.

(2) A request for expedited processing may be made at the time of the initial request for records or at any later time. For a prompt determination, a request for expedited processing must be properly addressed and marked and

Legal Services Corporation

§ 1602.9

received by the Corporation pursuant to paragraphs (b) of this section.

(3) A requester who seeks expedited processing must submit a statement demonstrating a compelling need that is certified by the requester to be true and correct to the best of that person's knowledge and belief, explaining in detail the basis for requesting expedited processing.

(4) Within ten calendar days of its receipt of a request for expedited processing, the General Counsel or designee or the Inspector General or designee shall decide whether to grant the request and shall notify the requester of the decision. If a request for expedited treatment is granted, the request shall be given priority and shall be processed as soon as practicable. If a request for expedited processing is denied, any appeal of that decision shall be acted on expeditiously by the Corporation.

[63 FR 41196, Aug. 3, 1998, as amended by 68 FR 7437, Feb. 14, 2003; 73 FR 67793, Nov. 17, 2008]

§ 1602.9 Exemptions for withholding records.

(a) A requested record of the Corporation may be withheld from public disclosure only if one or more of the following categories exempted by the FOIA apply:

(1) Matter which is related solely to the internal personnel rules and practices of the Corporation;

(2) Matter which is specifically exempted from disclosure by statute (other than the exemptions under FOIA at 5 U.S.C. 552(b)), provided that such statute requires that the matters be withheld from the public in such a manner as to leave no discretion on the issues, or establishes particular criteria for withholding, or refers to particular types of matters to be withheld;

(3) Trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(4) Inter-agency or intra-agency memoranda or letters which would not be available by law to a party other than an agency in litigation with the Corporation;

(5) Personnel and medical files and similar files, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy;

(6) Records or information compiled for law enforcement purposes including enforcing the Legal Services Corporation Act or any other law, but only to the extent that the production of such law enforcement records or information:

(i) Could reasonably be expected to interfere with enforcement proceedings;

(ii) Would deprive a person or a recipient of a right to a fair trial or an impartial adjudication;

(iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;

(iv) Could reasonably be expected to disclose the identity of a confidential source, including a State, local, or foreign agency or authority or any private institution which furnished information on a confidential basis, and in the case of a record or information compiled by a criminal law enforcement authority in the course of a criminal investigation, information furnished by a confidential source;

(v) Would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or

(vi) Could reasonably be expected to endanger the life or physical safety of any individual;

(b) In the event that one or more of the exemptions in paragraph (a) of this section apply, any reasonably segregable portion of a record shall be provided to the requester after deletion of the portions that are exempt. The amount of information deleted and the exemption under which the deletion is being made shall be indicated on the released portion of the record, unless doing so would harm the interest protected by the exemption under which the deletion is made. If technically feasible, the amount of information deleted and the exemption under which the deletion is being made shall be indicated at the place in the record where the deletion occurs.

(1) A summary of information in the exempt portion of a record; or

§ 1602.10

(2) An oral description of the exempt portion of a record.

(c) No requester shall have a right to insist that any or all of the techniques in paragraph (b) of this section should be employed in order to satisfy a request.

(d) Records that may be exempt from disclosure pursuant to paragraph (a) of this section may be made available at the discretion of the Corporation official authorized to grant or deny the request for records, after appropriate consultation as provided in §1602.10. Records may be made available pursuant to this paragraph when disclosure is not prohibited by law, and it does not appear adverse to legitimate interests of the Corporation, the public, a recipient, or any person.

[63 FR 41196, Aug. 3, 1998, as amended at 73 FR 67794, Nov. 17, 2008]

§ 1602.10 Officials authorized to grant or deny requests for records.

(a) The General Counsel shall furnish necessary advice to Corporation officials and staff as to their obligations under this part and shall take such other actions as may be necessary or appropriate to assure a consistent and equitable application of the provisions of this part by and within the Corporation.

(b) The General Counsel or designee and the Counsel to the Inspector General or designee are authorized to grant or deny requests under this part. In the absence of a Counsel to the Inspector General, the Inspector General shall name a designee who will be authorized to grant or deny requests under this part and who will perform all other functions of the Counsel to the Inspector General under this part. The General Counsel or designee shall consult with the Office of the Counsel to the Inspector General or designee prior to granting or denying any request for records or portions of records which originated with the Office of Inspector General, or which contain information which originated with the Office of Inspector General, but which are maintained by other components of the Corporation. The Counsel to the Inspector General or designee shall consult with the Office of the General Counsel prior to granting or denying any request for

records or portions of records which originated with any component of the Corporation other than the Office of Inspector General, or which contain information which originated with a component of the Corporation other than the Office of Inspector General, but which are maintained by the Office of Inspector General.

§ 1602.11 Denials.

(a) A denial of a written request for a record that complies with the requirements of §1602.8 shall be in writing and shall include the following:

(1) A reference to the applicable exemption or exemptions in §1602.9 (a) upon which the denial is based;

(2) An explanation of how the exemption applies to the requested records;

(3) A statement explaining why it is deemed unreasonable to provide segregable portions of the record after deleting the exempt portions;

(4) An estimate of the volume of requested matter denied unless providing such estimate would harm the interest protected by the exemption under which the denial is made;

(5) The name and title of the person or persons responsible for denying the request; and

(6) An explanation of the right to appeal the denial and of the procedures for submitting an appeal, including the address of the official to whom appeals should be submitted.

(b) Whenever the Corporation makes a record available subject to the deletion of a portion of the record, such action shall be deemed a denial of a record for purposes of paragraph (a) of this section.

(c) All denials shall be treated as final opinions under §1602.5(b).

§ 1602.12 Appeals of denials.

(a) Any person whose written request has been denied is entitled to appeal the denial within 90 days by writing to the President of the Corporation or, in the case of a denial of a request for Office of Inspector General records, the Inspector General, at the addresses given in §1602.5(a) and §1602.8(b). The envelope and letter or e-mail appeal should be clearly marked: “Freedom of

Information Appeal.” An appeal need not be in any particular form, but should adequately identify the denial, if possible, by describing the requested record, identifying the official who issued the denial, and providing the date on which the denial was issued.

(b) No personal appearance, oral argument, or hearing will ordinarily be permitted on appeal of a denial. Upon request and a showing of special circumstances, however, this limitation may be waived and an informal conference may be arranged with the President or designee, or Inspector General or designee, for this purpose.

(c) The decision of the President or the Inspector General on an appeal shall be in writing and, in the event the denial is in whole or in part upheld, shall contain an explanation responsive to the arguments advanced by the requester, the matters described in §1602.11(a) (1) through (4), and the provisions for judicial review of such decision under section 552(a)(4) of the FOIA. The decision shall be dispatched to the requester within 20 working days after receipt of the appeal, unless an additional period is justified pursuant to §1602.8(i) and such period taken together with any earlier extension does not exceed 10 days. The decision of the President or the Inspector General shall constitute the final action of the Corporation. All such decisions shall be treated as final opinions under §1602.5(b).

(d) On an appeal, the President or designee shall consult with the Office of Inspector General prior to reversing in whole or in part the denial of any request for records or portions of records which originated with the Office of Inspector General, or which contain information which originated with the Office of Inspector General, but which are maintained by other components of the Corporation. The Inspector General or designee shall consult with the President prior to reversing in whole or in part the denial.

§ 1602.13 Fees.

(a) No fees will be charged for information routinely provided in the normal course of doing business.

(b)(1) Fees shall be limited to reasonable standard charges for document

search, review, and duplication, when records are requested for commercial use;

(2) If no unusual circumstances, as set forth in §1602.8 apply, for requests received on or after December 31, 2008, if LSC has failed to comply with the time limits set forth in that section, otherwise applicable search fees will not be charged to a requester. In such cases, if the requester is a representative of the news media, otherwise applicable duplication fees will not be charged.

(c) Fees shall be limited to reasonable standard charges for document duplication after the first 100 pages, when records are sought by a representative of the news media or by an educational or non-commercial scientific institution; and

(d) For all other requests, fees shall be limited to reasonable standard charges for search time after the first 2 hours and duplication after the first 100 pages.

(e) The schedule for charges for services regarding the production or disclosure of the Corporation’s records is as follows:

(1) Manual search for and review of records will be charged as follows:

- (i) Band 1: \$16.15
- (ii) Band 2: \$26.66
- (iii) Band 3: \$39.15
- (iv) Band 4: \$51.41
- (v) Band 5: \$54.59

(vi) Charges for search and review time less than a full hour will be billed by quarter-hour segments;

(2) Computer time: actual charges as incurred;

(3) Duplication by paper copy: 13 cents per page;

(4) Duplication by other methods: actual charges as incurred;

(5) Certification of true copies: \$1.00 each;

(6) Packing and mailing records: no charge for regular mail;

(7) Express mail: actual charges as incurred.

(f) Fee waivers. A requester may seek a waiver or reduction of fees below the fees established under paragraph (e) of this section. A fee waiver or reduction request will be granted where LSC has

determined that the requester has demonstrated that disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations of the Corporation or Federal government and is not primarily in the commercial interest of the requester.

(1) In order to determine whether disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Corporation or Federal government, the Corporation shall consider the following four factors:

(i) The subject of the request: Whether the subject of the requested records concerns “the operations or activities of the Corporation or Federal government.” The subject of the requested records must concern identifiable operations or activities of the Corporation or Federal government, with a connection that is direct and clear, not remote or attenuated.

(ii) The informative value of the information to be disclosed: Whether the disclosure is “likely to contribute” to an understanding of Corporation or Federal government operations or activities. The requested records must be meaningfully informative about government operations or activities in order to be likely to contribute to an increased public understanding of those operations or activities. The disclosure of information that is already in the public domain, in either a duplicative or a substantially identical form, would not be likely to contribute to such understanding where nothing new would be added to the public’s understanding.

(iii) The contribution to an understanding of the subject by the public likely to result from disclosure: Whether disclosure of the requested records will contribute to “public understanding.” The disclosure must contribute to a reasonably broad audience of persons interested in the subject, as opposed to the personal interest of the requester. A requester’s expertise in the subject area and ability and intention to effectively convey information to the public shall be considered. It shall be presumed that a representative

of the news media will satisfy this consideration.

(iv) The significance of the contribution to public understanding: Whether the disclosure is likely to contribute “significantly” to public understanding of Corporation or Federal government operations or activities. The public’s understanding of the subject in question, as compared to the level of public understanding existing prior to the disclosure, must be enhanced by the disclosure to a significant extent.

(2) In order to determine whether disclosure of the information is not primarily in the commercial interest of the requester, the Corporation will consider the following two factors:

(i) The existence and magnitude of a commercial interest: Whether the requester has a commercial interest that would be furthered by the requested disclosure. LSC shall consider any commercial interest of the requester (with reference to the definition of “commercial use” in this Part) or of any person on whose behalf the requester may be acting, that would be furthered by the requested disclosure.

(ii) The primary interest in disclosure: Whether the magnitude of the identified commercial interest is sufficiently large, in comparison with the public interest in disclosure, that disclosure is “primarily” in the commercial interest of the requester. A fee waiver or reduction is justified where the public interest is greater in magnitude than that of any identified commercial interest in disclosure. LSC ordinarily shall presume that where a news media requester has satisfied the public interest standard, the public interest will be the interest primarily served by disclosure to that requester. Disclosure to data brokers or others who merely compile and market government information for direct economic return shall not be presumed primarily to serve a public interest.

(3) Where LSC has determined that a fee waiver or reduction request is justified for only some of the records to be released, LSC shall grant the fee waiver or reduction for those records.

(4) Requests for fee waivers and reductions shall be made in writing and must address the factors listed in this paragraph as they apply to the request.

Legal Services Corporation

§ 1602.14

(g) No fee will be charged under this section unless the cost of routine collection and processing of the fee payment is likely to exceed \$6.50.

(h) Requesters must agree to pay all fees charged for services associated with their requests. The Corporation will assume that requesters agree to pay all charges for services associated with their requests up to \$25 unless otherwise indicated by the requester. For requests estimated to exceed \$25, the Corporation will first consult with the requester prior to processing the request, and such requests will not be deemed to have been received by the Corporation until the requester agrees in writing to pay all fees charged for services.

(i) No requester will be required to make an advance payment of any fee unless:

(1) The requester has previously failed to pay a required fee within 30 days of the date of billing, in which case an advance deposit of the full amount of the anticipated fee together with the fee then due plus interest accrued may be required. (The request will not be deemed to have been received by the Corporation until such payment is made.); or

(2) The Corporation determines that an estimated fee will exceed \$250, in which case the requester shall be notified of the amount of the anticipated fee or such portion thereof as can readily be estimated. Such notification shall be transmitted as soon as possible, but in any event within 5 working days of receipt by the Corporation, giving the best estimate then available. The notification shall offer the requester the opportunity to confer with appropriate representatives of the Corporation for the purpose of reformulating the request so as to meet the needs of the requester at a reduced cost. The request will not be deemed to have been received by the Corporation for purposes of the initial 20-day response period until the requester makes a deposit on the fee in an amount determined by the Corporation.

(j) When a requester has previously failed to pay a properly charged FOIA fee within 30 days of the date of billing, the Corporation may require the re-

quester to pay the full amount due, plus any applicable interest, and to make an advance payment of the full amount of any anticipated fee before the Corporation begins to process a new request or continues to process a pending request (including appeals) from that requester.

(k) Interest may be charged to those requesters who fail to pay the fees charged. Interest will be assessed on the amount billed, starting on the 31st day following the day on which the billing was sent. The rate charged will be as prescribed in 31 U.S.C. 3717.

(l) If the Corporation reasonably believes that a requester or group of requesters is attempting to break a request into a series of requests for the purpose of evading the assessment of fees, the Corporation shall aggregate such requests and charge accordingly. Likewise, the Corporation will aggregate multiple requests for documents received from the same requester within 45 days.

(m) The Corporation reserves the right to limit the number of copies that will be provided of any document to any one requester or to require that special arrangements for duplication be made in the case of bound volumes or other records representing unusual problems of handling or reproduction.

[63 FR 41196, Aug. 3, 1998, as amended by 68 FR 7437, Feb. 14, 2003; 73 FR 67794, Nov. 17, 2008]

§ 1602.14 Submitter's rights process.

(a) When the Corporation receives a FOIA request seeking the release of a submitter's grant application(s), or portions thereof, the Corporation shall provide prompt written notice of the request to the submitter in order to afford the submitter with an opportunity to object to the disclosure of the requested grant application(s) (or any portion thereof). The notice shall reasonably describe the grant application(s), or portions thereof, requested and inform the submitter of the process required by paragraph (b) of this section.

(b) If a submitter who has received notice of a request for the submitter's grant application(s) desires to object to the disclosure of the grant application(s) (or any portion thereof), the

submitter must identify the information for which disclosure is objected and provide LSC with a written detailed statement to that effect. The statement must be submitted to the FOIA Officer in the Office of Legal Affairs and must specify the grounds for withholding the information under FOIA or this Part. In particular, the submitter must demonstrate why the information is commercial or financial information that is privileged or confidential. The submitter's statement must be provided to LSC within seven business days of the date of the notice from the Corporation. If the submitter fails to respond to the notice from LSC within that time, LSC will deem the submitter to have no objection to the disclosure of the information.

(c) Upon receipt of written objection to disclosure by a submitter, LSC shall consider the submitter's objections and specific grounds for withholding in deciding whether to release the disputed information. Whenever LSC decides to disclose information over the objection of the submitter, LSC shall give the submitter written notice which shall include:

(1) A description of the information to be released and a notice that LSC intends to release the information;

(2) A statement of the reason(s) why the submitter's request for withholding is being rejected; and

(3) Notice that the submitter shall have 5 business days from the date of the notice of proposed release to appeal that decision to the LSC President, whose decision shall be final.

(d) The requirements of this section shall not apply if:

(1) LSC determines upon initial review of the requested grant application(s), or portions thereof, the requested information should not be disclosed;

(2) The information has been previously published or officially made available to the public; or

(3) Disclosure of the information is required by statute (other than FOIA) or LSC regulations.

(e) Whenever a requester files a lawsuit seeking to compel disclosure of a submitter's information, LSC shall promptly notify the submitter.

(f) Whenever LSC provides a submitter with notice and opportunity to oppose disclosure under this section, LSC shall notify the requester that the submitter's rights process under this section has been triggered. Whenever a submitter files a lawsuit seeking to prevent the disclosure of the submitter's information, LSC shall notify the requester.

§ 1603.3 Composition and term of office of council membership.

A council shall be composed of nine members. A majority of the members of a council shall be attorneys admitted to practice in the State. It is recommended that the remainder of the council, to the maximum extent possible, be broadly representative of persons concerned with the effective functioning of legal services programs. Membership of a council shall be subject to annual reappointment, but it is recommended that no member of a council be appointed to serve for more than three consecutive years.

§ 1603.4 Procedure for appointment of council.

At the formal request of the Board, to be made before January 14, 1976, the Governor may appoint a council for the State. Those council members who are attorneys admitted to practice in the State shall be appointed by the Governor after recommendations have been received from the State bar association. In making such appointments, it is recommended the Governor consult with other bar associations in the State, representatives of groups concerned with the interests of recipients, eligible clients and other interested groups. It is recommended that the Governor appoint attorneys who have interest in and knowledge of the delivery of quality legal services to the poor, and that the remaining members of the council, who are not attorneys,

be selected after the Governor has consulted with representatives of groups concerned with the interests of eligible clients. It is recommended that the Governor seek recommendations from recipients in the State before appointing any members to the council. Sixty days prior to the expiration of a member's term, the Governor shall notify those groups mentioned in this Section so that their recommendations may be solicited for purposes of appointment of a new member or reappointment of an incumbent member of the council.

§ 1603.5 Council purpose and duties.

(a) The purpose of the council shall be to notify the Corporation of any apparent violation as defined in § 1603.2(b) of this chapter.

(b) In fulfilling the purpose set forth in paragraph (a) of this section, the council shall forward any apparent violation to the Corporation. The Chairperson of the council shall inform the complainant, the Corporation and the recipient of any action taken on the complaint. Notification of an apparent violation forwarded by the council to the Corporation shall not necessarily constitute a position of the council concerning the apparent violation.

(c) These procedures are not exclusive. Complaints may be submitted to the Corporation, and complaints submitted to a council may be submitted to the Corporation without regard to council action. The Corporation shall inform the complainant, the council and the recipient of all action taken on the complaint.

§ 1603.6 Duties of Corporation upon receipt of notification of violation.

(a) Upon receipt of a notification of an apparent violation, the matters contained therein shall be investigated and resolved by the Corporation in accordance with the Act and rules and regulations issued thereunder.

(b) Upon receipt from a council of a notification of an apparent violation, the Corporation shall allow any recipient affected thereby a reasonable time (but in no case less than thirty days) to reply to any allegation contained in the notification.

(c) The Corporation shall inform the Chairperson of a council of the action,

§ 1603.7

if any, the Corporation has taken with regard to any notification received from such council.

§ 1603.7 Organization and procedural functioning of council.

(a) Within 30 days after the appointment of the council, and annually thereafter, the Governor shall send to the Secretary of the Corporation in Washington, DC, a list of the members of the council for the State that shall include the name, address and telephone number of each council member, and indicate which members are attorneys.

(b) It is recommended that the Governor appoint from among those named to the council a Chairperson of the council.

(c) It is recommended that each council establish at its first meeting such fair and reasonable procedures for its operation as it may deem necessary to carry out the purpose set forth in § 1603.5(a) of this chapter. The procedures for operation of the council shall include provisions for notifying the appropriate regional director of the Corporation of the time and place of any meeting of the council.

(d) It is recommended that a council meet at the call of the Chairperson thereof, or at the request to the Chairperson of at least four members thereof, at such times as may be necessary to carry out its duties, but at least annually.

§ 1603.8 Corporation support of council.

(a) The Corporation shall inform the Chairperson of each council of the funds available to the council from the Corporation for actual and reasonable expenses incurred by members of the council to pursue council business.

(b) It shall be the duty of the President of the Corporation to keep the Chairperson of each council informed of the work of the Corporation.

(c) The Secretary of the Corporation shall mail annually to each recipient the name and address of the Chairperson of the appropriate council and a form of notice indicating where complaints may be sent. The recipient shall post said name and address of the Chairperson and said notice in plain

public view in each office of the recipient.

§ 1603.9 Annual report of council.

On or before March 31, 1977, and on or before March 31 of each succeeding year, a council shall submit to the Corporation a report of the activities of the council during the previous calendar year. The report may contain comments or suggestions regarding how best to provide high quality legal assistance to the poor, and regarding such other matters having to do with provision of legal services to eligible clients in the State as the council may deem advisable.

§ 1603.10 Multi-state recipients.

Where a recipient has offices in more than one State, the council of the State in which the apparent violation occurred has the responsibility for notifying the Corporation and the recipient at its local and administrative offices.

§ 1604.1 Purpose.

This part is intended to provide guidance to recipients in adopting written policies relating to the outside practice of law by recipients' full-time attorneys. Under the standards set forth in this part, recipients are authorized, but not required, to permit attorneys, to the extent that such activities do not hinder fulfillment of their overriding responsibility to serve those eligible for assistance under the Act, to engage in pro bono legal assistance and comply with the reasonable demands made upon them as members of the Bar and as officers of the Court.

Legal Services Corporation

§ 1604.6

§ 1604.2 Definitions.

As used in this part—

(a) *Full-time attorney* means an attorney who is employed full-time by a recipient in legal assistance activities supported in major part by the Corporation, and who is authorized to practice law in the jurisdiction where assistance is provided.

(b) *Outside practice of law* means the provision of legal assistance to a client who is not receiving that legal assistance from the employer of the full-time attorney rendering assistance, but does not include court appointments except where specifically stated or the performance of duties as a Judge Advocate General Corps attorney in the United States armed forces reserves.

(c) *Court appointment* means an appointment in a criminal or civil case made by a court or administrative agency under a statute, rule or practice applied generally to attorneys practicing in the court or before the administrative agency where the appointment is made.

§ 1604.3 General policy.

(a) A recipient shall adopt written policies governing the outside practice of law by full-time attorneys that are consistent with the LSC Act, this part and applicable rules of professional responsibility.

(b) A recipient's policies may permit the outside practice of law by full-time attorneys only to the extent allowed by the LSC Act and this part, but may impose additional restrictions as necessary to meet the recipient's responsibilities to clients.

§ 1604.4 Permissible outside practice.

A recipient's written policies may permit a full-time attorney to engage in a specific case or matter that constitutes the outside practice of law if:

(a) The director of the recipient or the director's designee determines that representation in such case or matter is consistent with the attorney's responsibilities to the recipient's clients;

(b) Except as provided in §1604.7, the attorney does not intentionally identify the case or matter with the Corporation or the recipient; and

(c) The attorney is—

(1) Newly employed and has a professional responsibility to close cases from a previous law practice, and does so on the attorney's own time as expeditiously as possible; or

(2) Acting on behalf of him or herself, a close friend, family member or another member of the recipient's staff; or

(3) Acting on behalf of a religious, community, or charitable group; or

(4) Participating in a voluntary pro bono or legal referral program affiliated with or sponsored by a bar association, other legal organization or religious, community or charitable group.

§ 1604.5 Compensation.

(a) Except as provided in paragraph (b) of this section and §1604.7(a), a recipient's written policies shall not permit a full-time attorney to receive any compensation for the outside practice of law.

(b) A recipient's written policies which permit a full-time attorney who meets the criteria set forth in §1604.4(c)(1) to engage in the outside practice of law shall permit full-time attorneys to seek and receive personal compensation for work performed pursuant to that section.

§ 1604.6 Use of recipient resources.

(a) For cases undertaken pursuant to §1604.4(c)(1), a recipient's written policies may permit a full-time attorney to use *de minimis* amounts of the recipient's resources for permissible outside practice if necessary to carry out the attorney's professional responsibilities, as long as the recipient's resources, whether funded with Corporation or private funds, are not used for any activities for which the use of such funds is prohibited.

(b) For cases undertaken pursuant to §1604.4(c) (2) through (4), a recipient's written policies may permit a full-time attorney to use limited amounts of the recipient's resources for permissible outside practice if necessary to carry out the attorney's professional responsibilities, as long as the recipient's resources, whether funded with Corporation or private funds are not used for any activities for which the use of such funds is prohibited.

§ 1604.7

§ 1604.7 Court appointments.

(a) A recipient's written policies may permit a full-time attorney to accept a court appointment if the director of the recipient or the director's designee determines that:

(1) Such an appointment is consistent with the recipient's primary responsibility to provide legal assistance to eligible clients in civil matters;

(2) The appointment is made and the attorney will receive compensation for the court appointment under the same terms and conditions as are applied generally to attorneys practicing in the court where the appointment is made; and

(3) Subject to the applicable law and rules of professional responsibility, the attorney agrees to remit to the recipient any compensation received.

(b) A recipient's written policies may permit a full-time attorney to use program resources to undertake representation pursuant to a court appointment.

(c) A recipient's written policies may permit a full-time attorney to identify the recipient as his or her employer when engaged in representation pursuant to a court appointment.

(d) If, under the applicable State or local court rules or practices or rules of professional responsibility, legal services attorneys are mandated to provide pro bono legal assistance in addition to the attorneys' work on behalf of the recipient's clients, the recipient's written policies shall treat such legal assistance in the same manner as court appointments under paragraphs (a)(1), (a)(3), (b) and (c) of this section, provided that the policies may only permit mandatory pro bono activities that are not otherwise prohibited by the LSC Act, applicable appropriations laws, or LSC regulation.

§ 1606.3

SOURCE: 63 FR 64643, Nov. 23, 1998, unless otherwise noted.

§ 1606.1 Purpose.

The purpose of this rule is to:

(a) Ensure that the Corporation is able to take timely action to deal with incidents of substantial noncompliance by recipients with a provision of the LSC Act, the Corporation's appropriations act or other law applicable to LSC funds, a Corporation rule, regulation, guideline or instruction, or the terms and conditions of the recipient's grant or contract with the Corporation;

(b) Provide timely and fair due process procedures when the Corporation has made a preliminary decision to terminate a recipient's LSC grant or contract, or to debar a recipient from receiving future LSC awards of financial assistance; and

(c) Ensure that scarce funds are provided to recipients who can provide the most effective and economical legal assistance to eligible clients.

§ 1606.2 Definitions.

For the purposes of this part:

(a) *Debarment* means an action taken by the Corporation to exclude a recipient from receiving an additional award of financial assistance from the Corporation or from receiving additional LSC funds from another recipient of the Corporation pursuant to a subgrant, subcontract or similar agreement, for the period of time stated in the final debarment decision.

(b) *Knowing and willful* means that the recipient had actual knowledge of the fact that its action or lack thereof constituted a violation and despite such knowledge, undertook or failed to undertake the action.

(c) *Recipient* means any grantee or contractor receiving financial assistance from the Corporation under section 1006(a)(1)(A) of the LSC Act.

(d)(1) *Termination* means that a recipient's level of financial assistance under its grant or contract with the Corporation will be reduced in whole or in part prior to the expiration of the term of a recipient's current grant or contract. A partial termination will affect only the recipient's current year's funding, unless the Corporation pro-

vides otherwise in the final termination decision.

(2) A termination does not include:

(i) A reduction of funding required by law, including a reduction in or rescission of the Corporation's appropriation that is apportioned among all recipients of the same class in proportion to their current level of funding;

(ii) A reduction or deduction of LSC support for a recipient under the Corporation's fund balance regulation at 45 CFR part 1628;

(iii) A recovery of disallowed costs under the Corporation's regulation on costs standards and procedures at 45 CFR part 1630;

(iv) A withholding of funds pursuant to the Corporation's Private Attorney Involvement rule at 45 CFR Part 1614; or

(v) A reduction of funding of less than 5 percent of a recipient's current annual level of financial assistance imposed by the Corporation in accordance with regulations promulgated by the Corporation. No such reduction shall be imposed except in accordance with regulations promulgated by the Corporation.

§ 1606.3 Grounds for a termination.

(a) A grant or contract may be terminated when:

(1) There has been a substantial violation by the recipient of a provision of the LSC Act, the Corporation's appropriations act or other law applicable to LSC funds, or Corporation rule, regulation, guideline or instruction, or a term or condition of the recipient's grant or contract, and the violation occurred less than 5 years prior to the date the recipient receives notice of the violation pursuant to § 1606.6(a); or

(2) There has been a substantial failure by the recipient to provide high quality, economical, and effective legal assistance, as measured by generally accepted professional standards, the provisions of the LSC Act, or a rule, regulation, including 45 CFR 1634.9(a)(2), or guidance issued by the Corporation.

(b) A determination of whether there has been a substantial violation for the purposes of paragraph (a)(1) of this section will be based on consideration of the following criteria:

§ 1606.4

(1) The number of restrictions or requirements violated;

(2) Whether the violation represents an instance of noncompliance with a substantive statutory or regulatory restriction or requirement, rather than an instance of noncompliance with a non-substantive technical or procedural requirement;

(3) The extent to which the violation is part of a pattern of noncompliance with LSC requirements or restrictions;

(4) The extent to which the recipient failed to take action to cure the violation when it became aware of the violation; and

(5) Whether the violation was knowing and willful.

§ 1606.4 Grounds for debarment.

(a) The Corporation may debar a recipient, on a showing of good cause, from receiving an additional award of financial assistance from the Corporation.

(b) As used in paragraph (a) of this section, “good cause” means:

(1) A termination of financial assistance to the recipient pursuant to part 1640 of this chapter;

(2) A termination of financial assistance in whole of the most recent grant of financial assistance;

(3) The substantial violation by the recipient of the restrictions delineated in §1610.2 (a) and (b) of this chapter, provided that the violation occurred within 5 years prior to the receipt of the debarment notice by the recipient;

(4) Knowing entry by the recipient into:

(i) A subgrant, subcontract, or other similar agreement with an entity debarred by the Corporation during the period of debarment if so precluded by the terms of the debarment; or

(ii) An agreement for professional services with an IPA debarred by the Corporation during the period of debarment if so precluded by the terms of the debarment; or

(5) The filing of a lawsuit by a recipient, provided that the lawsuit:

(i) Was filed on behalf of the recipient as plaintiff, rather than on behalf of a client of the recipient;

(ii) Named the Corporation, or any agency or employee of a Federal,

45 CFR Ch. XVI (10–1–09 Edition)

State, or local government as a defendant;

(iii) Seeks judicial review of an action by the Corporation or such government agency that affects the recipient’s status as a recipient of Federal funding, except for a lawsuit that seeks review of whether the Corporation or agency acted outside of its statutory authority or violated the recipient’s constitutional rights; and

(iv) Was initiated after the effective date of this rule.

§ 1606.5 Termination and debarment procedures.

Before a recipient’s grant or contract may be terminated or a recipient may be debarred, the recipient will be provided notice and an opportunity to be heard as set out in this part.

§ 1606.6 Preliminary determination.

(a) When the Corporation has made a preliminary determination that a recipient’s grant or contract should be terminated and/or that a recipient should be debarred, the Corporation employee who has been designated by the President as the person to bring such actions (hereinafter referred to as the “designated employee”) shall issue a written notice to the recipient and the Chairperson of the recipient’s governing body. The notice shall:

(1) State the grounds for the proposed action;

(2) Identify, with reasonable specificity, any facts or documents relied upon as justification for the proposed action;

(3) Inform the recipient of the proposed sanctions;

(4) Advise the recipient of its right to request:

(i) An informal conference under §1606.7; and

(ii) a hearing under §1606.8; and

(5) Inform the recipient of its right to receive interim funding pursuant to §1606.13.

(b) If the recipient does not request an informal conference or a hearing within the time prescribed in §1606.7(a) or §1606.8(a), the preliminary determination shall become final.

Legal Services Corporation

§ 1606.9

§ 1606.7 Informal conference.

(b) Within 5 days of receipt of the request, the designated employee shall notify the recipient of the time and place the conference will be held.

(c) The designated employee shall conduct the informal conference.

(d) At the informal conference, the designated employee and the recipient shall both have an opportunity to state their case, seek to narrow the issues, and explore the possibilities of settlement or compromise.

(e) The designated employee may modify, withdraw, or affirm the preliminary determination in writing, a copy of which shall be provided to the recipient within 10 days of the conclusion of the informal conference.

§ 1606.8 Hearing.

(a) The recipient may make written request for a hearing within 30 days of its receipt of the preliminary determination or within 15 days of receipt of the written determination issued by the designated employee after the conclusion of the informal conference.

(b) Within 10 days after receipt of a request for a hearing, the Corporation shall notify the recipient in writing of the date, time and place of the hearing and the names of the hearing officer and of the attorney who will represent the Corporation. The time, date and location of the hearing may be changed upon agreement of the Corporation and the recipient.

(c) A hearing officer shall be appointed by the President or designee and may be an employee of the Corporation. The hearing officer shall not have been involved in the current termination or debarment action and the President or designee shall determine that the person is qualified to preside over the hearing as an impartial decision maker. An impartial decision maker is a person who has not formed a prejudgment on the case and does not have a pecuniary interest or personal bias in the outcome of the proceeding.

(d) The hearing shall be scheduled to commence at the earliest appropriate date, ordinarily not later than 30 days

after the notice required by paragraph (b) of this section.

(e) The hearing officer shall preside over and conduct a full and fair hearing, avoid delay, maintain order, and insure that a record sufficient for full disclosure of the facts and issues is maintained.

(f) The hearing shall be open to the public unless, for good cause and the interests of justice, the hearing officer determines otherwise.

(g) The Corporation and the recipient shall be entitled to be represented by counsel or by another person.

(h) At the hearing, the Corporation and the recipient each may present its case by oral or documentary evidence, conduct examination and cross-examination of witnesses, examine any documents submitted, and submit rebuttal evidence.

(i) The hearing officer shall not be bound by the technical rules of evidence and may make any procedural or evidentiary ruling that may help to insure full disclosure of the facts, to maintain order, or to avoid delay. Irrelevant, immaterial, repetitious or unduly prejudicial matter may be excluded.

(j) Official notice may be taken of published policies, rules, regulations, guidelines, and instructions of the Corporation, of any matter of which judicial notice may be taken in a Federal court, or of any other matter whose existence, authenticity, or accuracy is not open to serious question.

(k) A stenographic or electronic record shall be made in a manner determined by the hearing officer, and a copy shall be made available to the recipient at no cost.

(l) The Corporation shall have the initial burden to show grounds for a termination or debarment. The burden of persuasion shall then shift to the recipient to show by a preponderance of evidence on the record that its funds should not be terminated or that it should not be disbarred.

§ 1606.9 Recommended decision.

(a) Within 20 calendar days after the conclusion of the hearing, the hearing officer shall issue a written recommended decision which may:

§ 1606.10

(1) Terminate financial assistance to the recipient as of a specific date; or

(2) Continue the recipient's current grant or contract, subject to any modification or condition that may be deemed necessary on the basis of information adduced at the hearing; and/or

(3) Debar the recipient from receiving an additional award of financial assistance from the Corporation.

(b) The recommended decision shall contain findings of the significant and relevant facts and shall state the reasons for the decision. Findings of fact shall be based solely on the record of, and the evidence adduced at the hearing or on matters of which official notice was taken.

§ 1606.10 Final decision.

(a) If neither the Corporation nor the recipient requests review by the President, a recommended decision shall become final 10 calendar days after receipt by the recipient.

(b) The recipient or the Corporation may seek review by the President of a recommended decision. A request shall be made in writing within 10 days after receipt of the recommended decision by the party seeking review and shall state in detail the reasons for seeking review.

(c) The President's review shall be based solely on the information in the administrative record of the termination or debarment proceedings and any additional submissions, either oral or in writing, that the President may request. A recipient shall be given a copy of and an opportunity to respond to any additional submissions made to the President. All submissions and responses made to the President shall become part of the administrative record.

(d) As soon as practicable after receipt of the request for review of a recommended decision, but not later than 30 days after the request for review, the President may adopt, modify, or reverse the recommended decision, or direct further consideration of the matter. In the event of modification or reversal, the President's decision shall conform to the requirements of § 1606.9(b).

(e) The President's decision shall become final upon receipt by the recipient.

45 CFR Ch. XVI (10–1–09 Edition)

§ 1606.11 Qualifications on hearing procedures.

(a) Except as modified by paragraph (c) of this section, the hearing rights set out in §§ 1606.6 through 1606.10 shall apply to any action to debar a recipient or to terminate a recipient's funding.

(b) The Corporation may simultaneously take action to debar and terminate a recipient within the same hearing procedure that is set out in §§ 1606.6 through 1606.10 of this part. In such a case, the same hearing officer shall oversee both the termination and debarment actions.

(c) If the Corporation does not simultaneously take action to debar and terminate a recipient under paragraph (b) of this section and initiates a debarment action based on a prior termination under § 1606.4(b)(1) or (2), the hearing procedures set out in § 1606.6 through 1606.10 shall not apply. Instead:

(1) The President shall appoint a hearing officer, as described in § 1606.8(c), to review the matter and make a written recommended decision on debarment.

(2) The hearing officer's recommendation shall be based solely on the information in the administrative record of the termination proceedings providing grounds for the debarment and any additional submissions, either oral or in writing, that the hearing officer may request. The recipient shall be given a copy of and an opportunity to respond to any additional submissions made to the hearing officer. All submissions and responses made to the hearing officer shall become part of the administrative record.

(3) If neither party appeals the hearing officer's recommendation within 10 days of receipt of the recommended decision, the decision shall become final.

(4) Either party may appeal the recommended decision to the President who shall review the matter and issue a final written decision pursuant to § 1606.9(b).

(d) All final debarment decisions shall state the effective date of the debarment and the period of debarment, which shall be commensurate with the seriousness of the cause for debarment but shall not be for longer than 6 years.

Legal Services Corporation

§ 1607.2

(e) The Corporation may reverse a debarment decision upon request for the following reasons:

- (1) Newly discovered material evidence;
- (2) Reversal of the conviction or civil judgment upon which the debarment was based;
- (3) Bona fide change in ownership or management of a recipient;
- (4) Elimination of other causes for which the debarment was imposed; or
- (5) Other reasons the Corporation deems appropriate.

§ 1606.12 Time and waiver.

(a) Except for the 6-year time limit for debarments in §1606.11(c), any period of time provided in these rules may, upon good cause shown and determined, be extended:

- (1) By the designated employee who issued the preliminary decision until a hearing officer has been appointed;
- (2) By the hearing officer, until the recommended decision has been issued;
- (3) By the President at any time.

(b) Failure by the Corporation to meet a time requirement of this part does not preclude the Corporation from terminating a recipient's grant or contract with the Corporation.

§ 1606.13 Interim and termination funding; reprogramming.

(a) Pending the completion of termination proceedings under this part, the Corporation shall provide the recipient with the level of financial assistance provided for under its current grant or contract with the Corporation.

(b) After a final decision has been made to terminate a recipient's grant or contract, the recipient loses all rights to the terminated funds.

(c) After a final decision has been made to terminate a recipient's grant or contract, the Corporation may authorize termination funding if necessary to enable the recipient to close or transfer current matters in a manner consistent with the recipient's professional responsibilities to its present clients.

(d) Funds recovered by the Corporation pursuant to a termination shall be used in the same service area from which they were recovered or will be

reallocated by the Corporation for basic field purposes.

§ 1606.14 Recompensation.

After a final decision has been issued by the Corporation terminating financial assistance to a recipient in whole for any service area, the Corporation shall implement a new competitive bidding process for the affected service area. Until a new recipient has been awarded a grant pursuant to such process, the Corporation shall take all practical steps to ensure the continued provision of legal assistance in the service area pursuant to §1634.11.

§ 1607.1 Purpose.

This part is designed to insure that the governing body of a recipient will be well qualified to guide a recipient in its efforts to provide high-quality legal assistance to those who otherwise would be unable to obtain adequate legal counsel and to insure that the recipient is accountable to its clients.

(c) *Eligible client member* means a board member who is financially eligible to receive legal assistance under the Act and part 1611 of this chapter at the time of appointment to each term of office to the recipient's governing body, without regard to whether the person actually has received or is receiving legal assistance at that time.

§ 1607.3

45 CFR Ch. XVI (10–1–09 Edition)

Eligibility of client members shall be determined by the recipient or, if the recipient so chooses, by the appointing organization(s) or group(s) in accordance with written policies adopted by the recipient.

§ 1607.3 Composition.

(a) A recipient shall be incorporated in a State in which it provides legal assistance and shall have a governing body which reasonably reflects the interests of the eligible clients in the area served and which consists of members, each of whom is supportive of the purposes of the Act and has an interest in, and knowledge of, the delivery of quality legal services to the poor.

(b) At least sixty percent (60%) of a governing body shall be attorney members.

(1) A majority of the members of the governing body shall be attorney members appointed by the governing body(ies) of one or more State, county or municipal bar associations, the membership of which represents a majority of attorneys practicing law in the localities in which the recipient provides legal assistance.

(i) Appointments may be made either by the bar association which represents a majority of attorneys in the recipient's service area or by bar associations which collectively represent a majority of the attorneys practicing law in the recipient's service area.

(ii) Recipients that provide legal assistance in more than one State may provide that appointments of attorney members be made by the appropriate bar association(s) in the State(s) or locality(ies) in which the recipient's

principal office is located or in which the recipient provides legal assistance.

(2) Any additional attorney members may be selected by the recipient's governing body or may be appointed by other organizations designated by the recipient which have an interest in the delivery of legal services to the poor.

(3) Appointments shall be made so as to insure that the attorney members reasonably reflect the diversity of the legal community and the population of the areas served by the recipient, including race, ethnicity, gender and other similar factors.

The members who are eligible clients shall be appointed by a variety of appropriate groups designated by the recipient that may include, but are not limited to, client and neighborhood associations and community-based organizations which advocate for or deliver services or resources to the client community served by the recipient. (d) The remaining members of a governing body may be appointed by the recipient's governing body or selected in a manner described in the recipient's bylaws or policies, and the appointment or selection shall be made so that the governing body as a whole reasonably reflects the diversity of the areas served by the recipient, including race, ethnicity, gender and other similar factors.

(e) The nonattorney members of a governing body shall not be dominated by persons serving as the representatives of a single association, group or organization, except that eligible client members may be selected from client organizations that are composed of coalitions of numerous smaller or regionally based client groups.

(f) Members of a governing body may be selected by appointment, election, or other means consistent with this

Legal Services Corporation

§ 1607.6

part and with the recipient's bylaws and applicable State law.

(g) Recipients shall make reasonable and good faith efforts to insure that governing body vacancies are filled as promptly as possible.

(h) Recipients may recommend candidates for governing body membership to the appropriate bar associations and other appointing groups and should consult with the appointing organizations to insure that:

(1) Appointees meet the criteria for board membership set out in this part, including financial eligibility for persons appointed as eligible clients, bar admittance requirements for attorney board members, and the general requirements that all members be supportive of the purposes of the Act and have an interest in and knowledge of the delivery of legal services to the poor;

(2) The particular categories of board membership and the board as a whole meet the diversity requirements described in §§1607.3(b)(3), 1607.3(c) and 1607.3(d);

§ 1607.4 Functions of a governing body.

(a) A governing body shall have at least four meetings a year. A recipient shall give timely and reasonable prior public notice of all meetings, and all meetings shall be public except for those concerned with matters properly discussed in executive session in accordance with written policies adopted by the recipient's governing body.

(b) In addition to other powers and responsibilities that may be provided for by State law, a governing body shall establish and enforce broad policies governing the operation of a recipient, but neither the governing body nor any member thereof shall interfere with any attorney's professional responsibilities to a client or obligations as a member of the profession or inter-

fere with the conduct of any ongoing representation.

(c) A governing body shall adopt bylaws which are consistent with State law and the requirements of this part. Recipients shall submit a copy of such bylaws to the Corporation and shall give the Corporation notice of any changes in such bylaws within a reasonable time after the change is made.

§ 1607.5 Compensation.

(b) Pursuant to a waiver granted under §1607.6(b)(1), a recipient may adopt policies that would permit partners or associates of attorney members to participate in any compensated private attorney involvement activities supported by the recipient.

(c) A recipient may adopt policies that permit attorney members, subject to terms and conditions applicable to other attorneys in the service area:

(1) To accept referrals of fee-generating cases under part 1609 of these regulations;

(2) To participate in any uncompensated private attorney involvement activities supported by the recipient;

(3) To seek and accept attorneys' fees awarded by a court or administrative body or included in a settlement in cases undertaken pursuant to §§1607.5 (c) (1) and (2); and

§ 1607.6 Waiver.

(a) Upon application, the president shall waive the requirements of this part to permit a recipient that was funded under §222(a)(3) of the Economic Opportunity Act of 1964 and, on July 25, 1974, had a majority of persons who

Pt. 1608

45 CFR Ch. XVI (10–1–09 Edition)

were not attorneys on its governing body, to continue such nonattorney majority.

(b) Upon application, the president may waive any of the requirements of this part which are not mandated by applicable law if a recipient demonstrates that it cannot comply with them because of: (1) The nature of the population, legal community or area served; or (2) Special circumstances, including but not limited to, conflicting requirements of the recipient's other major funding source(s) or State law.

(c) A recipient seeking a waiver under §1607.6(b)(1) shall demonstrate that it has made diligent efforts to comply with the requirements of this part.

(d) As a condition of granting a waiver under §1607.6(b)(2) of any of the requirements imposed upon governing bodies by §1607.3, the president shall require that a recipient have a policy body with a membership composed and appointed in the manner prescribed by §1607.3. Such policy body shall be subject to the meeting requirements of §1607.4(a) and its attorney members shall be subject to the restrictions on compensation contained in §1607.5. The policy body shall have such specific powers and responsibilities as the President determines are necessary to enable it to formulate and enforce policy with respect to the services provided under the recipient's LSC grant or contract.

(1) A court appoints a recipient or an employee of a recipient to provide representation in a case pursuant to a statute or a court rule or practice equally applicable to all attorneys in the jurisdiction, or

(2) A recipient undertakes representation under a contract with a government agency or other entity.

§ 1609.3 General requirements.

(a) Except as provided in paragraph (b) of this section, a recipient may not provide legal assistance in a fee-generating case unless:

(1) The case has been rejected by the local lawyer referral service, or by two private attorneys; or

(2) Neither the referral service nor two private attorneys will consider the case without payment of a consultation fee.

(b) A recipient may provide legal assistance in a fee-generating case without first attempting to refer the case pursuant to paragraph (a) of this section only when:

(1) An eligible client is seeking benefits under Subchapter II of the Social Security Act, 42 U.S.C. 401 *et seq.*, as amended, Federal Old Age, Survivors, and Disability Insurance Benefits; or Subchapter XVI of the Social Security

§ 1609.4

Act, 42 U.S.C. 1381 *et seq.*, as amended, Supplemental Security Income for Aged, Blind, and Disabled;

(2) The recipient, after consultation with appropriate representatives of the private bar, has determined that the type of case is one that private attorneys in the area served by the recipient ordinarily do not accept, or do not accept without prepayment of a fee; or

(3) The director of the recipient, or the director's designee, has determined that referral of the case to the private bar is not possible because:

(i) Documented attempts to refer similar cases in the past generally have been futile;

(ii) Emergency circumstances compel immediate action before referral can be made, but the client is advised that, if appropriate, and consistent with professional responsibility, referral will be attempted at a later time; or

(iii) Recovery of damages is not the principal object of the recipient's client's case and substantial statutory attorneys' fees are not likely to be available.

(c) Recipients should refer to 45 CFR part 1642 for restrictions on claiming, or collecting and retaining attorneys' fees.

§ 1609.4 Recipient policies, procedures and recordkeeping.

Each recipient shall adopt written policies and procedures to guide its staff in complying with this part and shall maintain records sufficient to document the recipient's compliance with this part.

(3) The recipient is physically and financially separate from the other organization. Mere bookkeeping separation of LSC funds from other funds is not sufficient. Whether sufficient physical and financial separation exists will be determined on a case-by-case basis and will be based on the totality of the facts. The presence or absence of any one or more factors will not be determinative. Factors relevant to this determination shall include but will not be limited to:

(i) The existence of separate personnel;

(ii) The existence of separate accounting and timekeeping records;

(iii) The degree of separation from facilities in which restricted activities occur, and the extent of such restricted activities; and

§ 1611.1 Purpose.

This part sets forth requirements relating to the financial eligibility of individual applicants for legal assistance supported with LSC funds and recipients' responsibilities in making financial eligibility determinations. This part is not intended to and does not create any entitlement to service for persons deemed financially eligible. This part also seeks to ensure that financial eligibility is determined in a manner conducive to development of an effective attorney-client relationship. In addition, this part sets forth standards relating to the eligibility of groups for legal assistance supported with LSC funds. Finally, this part sets forth requirements relating to recipients' responsibilities in executing retainer agreements with clients.

§ 1611.2 Definitions.

(a) "Advice and counsel" means legal assistance that is limited to the review of information relevant to the client's legal problem(s) and counseling the client on the relevant law and/or suggested course of action. Advice and counsel does not encompass drafting of documents or making third-party contacts on behalf of the client.

(b) "Applicable rules of professional responsibility" means the rules of ethics and professional responsibility generally applicable to attorneys in the jurisdiction where the recipient provides legal services.

(c) "Applicant" means an individual who is seeking legal assistance supported with LSC funds from a recipient. The term does not include a group, corporation or association.

(d) "Assets" means cash or other resources of the applicant or members of the applicant's household that are readily convertible to cash, which are currently and actually available to the applicant.

(e) "Brief services" means legal assistance in which the recipient undertakes to provide a discrete and time-limited service to a client beyond advice and consultation, including but not limited to activities, such as the drafting of documents or making limited third party contacts on behalf of a client.

(f) "Extended service" means legal assistance characterized by the performance of multiple tasks incident to continuous representation. Examples of extended service would include representation of a client in litigation, an administrative adjudicative proceeding, alternative dispute resolution proceeding, extended negotiations with a third party, or other legal representation in which the recipient undertakes responsibility for protecting or advancing a client's interest beyond advice and counsel or brief services.

(g) "Governmental program for low income individuals or families" means any Federal, State or local program that provides benefits of any kind to persons whose eligibility is determined on the basis of financial need.

(h) "Governmental program for persons with disabilities" means any Federal, State or local program that provides benefits of any kind to persons whose eligibility is determined on the basis of mental and/or physical disability.

(i) "Income" means actual current annual total cash receipts before taxes of all persons who are resident members and contribute to the support of an applicant's household, as that term is defined by the recipient. Total cash receipts include, but are not limited to, wages and salaries before any deduction; income from self-employment after deductions for business or farm expenses; regular payments from governmental programs for low income

§ 1611.3

persons or persons with disabilities; social security payments; unemployment and worker's compensation payments; strike benefits from union funds; veterans benefits; training stipends; alimony; child support payments; military family allotments; public or private employee pension benefits; regular insurance or annuity payments; income from dividends, interest, rents, royalties or from estates and trusts; and other regular or recurring sources of financial support that are currently and actually available to the applicant. Total cash receipts do not include the value of food or rent received by the applicant in lieu of wages; money withdrawn from a bank; tax refunds; gifts; compensation and/or one-time insurance payments for injuries sustained; non-cash benefits; and up to \$2,000 per year of funds received by individual Native Americans that is derived from Indian trust income or other distributions exempt by statute.

§ 1611.3 Financial eligibility policies.

(a) The governing body of a recipient shall adopt policies consistent with this part for determining the financial eligibility of applicants and groups. The governing body shall review its financial eligibility policies at least once every three years and make adjustments as necessary. The recipient shall implement procedures consistent with its policies.

(b) As part of its financial eligibility policies, every recipient shall specify that only individuals and groups determined to be financially eligible under the recipient's financial eligibility policies and LSC regulations may receive legal assistance supported with LSC funds.

(c)(1) As part of its financial eligibility policies, every recipient shall establish annual income ceilings for individuals and households, which may not exceed one hundred and twenty five percent (125%) of the current official Federal Poverty Guidelines amounts. The Corporation shall annually calculate 125% of the Federal Poverty Guidelines amounts and publish such calculations in the FEDERAL REGISTER as a revision to Appendix A to this part.

45 CFR Ch. XVI (10–1–09 Edition)

(2) As part of its financial eligibility policies, a recipient may adopt authorized exceptions to its annual income ceilings consistent with § 1611.5.

(d)(1) As part of its financial eligibility policies, every recipient shall establish reasonable asset ceilings for individuals and households. In establishing asset ceilings, the recipient may exclude consideration of a household's principal residence, vehicles used for transportation, assets used in producing income, and other assets which are exempt from attachment under State or Federal law.

(2) The recipient's policies may provide authority for waiver of its asset ceilings for specific applicants under unusual circumstances and when approved by the recipient's Executive Director, or his/her designee. When the asset ceiling is waived, the recipient shall record the reasons for such waiver and shall keep such records as are necessary to inform the Corporation of the reasons for such waiver.

(e) Notwithstanding any other provision of this part, or other provision of the recipient's financial eligibility policies, every recipient shall specify as part of its financial eligibility policies that in assessing the income or assets of an applicant who is a victim of domestic violence, the recipient shall consider only the assets and income of the applicant and members of the applicant's household other than those of the alleged perpetrator of the domestic violence and shall not include any assets held by the alleged perpetrator of the domestic violence, jointly held by the applicant with the alleged perpetrator of the domestic violence, or assets jointly held by any member of the applicant's household with the alleged perpetrator of the domestic violence.

(f) As part of its financial eligibility policies, a recipient may adopt policies that permit financial eligibility to be established by reference to an applicant's receipt of benefits from a governmental program for low-income individuals or families consistent with § 1611.4(c).

(g) Before establishing its financial eligibility policies, a recipient shall consider the cost of living in the service area or locality and other relevant factors, including but not limited to:

Legal Services Corporation

§ 1611.5

(1) The number of clients who can be served by the resources of the recipient;

(2) The population that would be eligible at and below alternative income and asset ceilings; and

(3) The availability and cost of legal services provided by the private bar and other free or low cost legal services providers in the area.

§ 1611.4 Financial eligibility for legal assistance.

(a) A recipient may provide legal assistance supported with LSC funds only to individuals whom the recipient has determined to be financially eligible for such assistance. Nothing in this part, however, prohibits a recipient from providing legal assistance to an individual without regard to that individual's income and assets if the legal assistance is wholly supported by funds from a source other than LSC, and is otherwise permissible under applicable law and regulation.

(b) Consistent with the recipient's financial eligibility policies and this part, the recipient may determine an applicant to be financially eligible for legal assistance if the applicant's assets do not exceed the recipient's applicable asset ceiling established pursuant to § 1611.3(d)(1), or the applicable asset ceiling has been waived pursuant to § 1611.3(d)(2), and:

(1) The applicant's income is at or below the recipient's applicable annual income ceiling; or

(2) The applicant's income exceeds the recipient's applicable annual income ceiling but one or more of the authorized exceptions to the annual income ceilings, as provided in § 1611.5, applies.

(c) Consistent with the recipient's policies, a recipient may determine an applicant to be financially eligible without making an independent determination of income or assets, if the applicant's income is derived solely from a governmental program for low-income individuals or families, provided that the recipient's governing body has determined that the income standards of the governmental program are at or below 125% of the Federal Poverty Guidelines amounts and that the gov-

ernmental program has eligibility standards which include an assets test.

§ 1611.5 Authorized exceptions to the annual income ceiling.

(a) Consistent with the recipient's policies and this part, a recipient may determine an applicant whose income exceeds the recipient's applicable annual income ceiling to be financially eligible if the applicant's assets do not exceed the recipient's applicable asset ceiling established pursuant to § 1611.3(d), or the asset ceiling has been waived pursuant to § 1611.3(d)(2), and:

(1) The applicant is seeking legal assistance to maintain benefits provided by a governmental program for low income individuals or families; or

(2) The Executive Director of the recipient, or his/her designee, has determined on the basis of documentation received by the recipient, that the applicant's income is primarily committed to medical or nursing home expenses and that, excluding such portion of the applicant's income which is committed to medical or nursing home expenses, the applicant would otherwise be financially eligible for service; or

(3) The applicant's income does not exceed 200% of the applicable Federal Poverty Guidelines amount and:

(i) The applicant is seeking legal assistance to obtain governmental benefits for low income individuals and families; or

(ii) The applicant is seeking legal assistance to obtain or maintain governmental benefits for persons with disabilities; or

(4) The applicant's income does not exceed 200% of the applicable Federal Poverty Guidelines amount and the recipient has determined that the applicant should be considered financially eligible based on consideration of one or more of the following factors as applicable to the applicant or members of the applicant's household:

(i) Current income prospects, taking into account seasonal variations in income;

(ii) Unreimbursed medical expenses and medical insurance premiums;

(iii) Fixed debts and obligations;

§ 1611.6

(iv) Expenses such as dependent care, transportation, clothing and equipment expenses necessary for employment, job training, or educational activities in preparation for employment;

(v) Non-medical expenses associated with age or disability;

(vi) Current taxes; or

(vii) Other significant factors that the recipient has determined affect the applicant's ability to afford legal assistance.

(b) In the event that a recipient determines that an applicant is financially eligible pursuant to this section and is provided legal assistance, the recipient shall document the basis for the financial eligibility determination. The recipient shall keep such records as may be necessary to inform the Corporation of the specific facts and factors relied on to make such determination.

§ 1611.6 Representation of groups.

(a) A recipient may provide legal assistance to a group, corporation, association or other entity if it provides information showing that it lacks, and has no practical means of obtaining, funds to retain private counsel and either:

(1) The group, or for a non-membership group the organizing or operating body of the group, is primarily composed of individuals who would be financially eligible for LSC-funded legal assistance; or

(2) The group has as a principal activity the delivery of services to those persons in the community who would be financially eligible for LSC-funded legal assistance and the legal assistance sought relates to such activity.

(b)(1) In order to make a determination that a group, corporation, association or other entity is eligible for legal services as required by paragraph (a) of this section, a recipient shall consider the resources available to the group, such as the group's income and income prospects, assets and obligations and either:

(i) For a group primarily composed of individuals who would be financially eligible for LSC-funded legal assistance, whether the financial or other socioeconomic characteristics of the persons comprising the group are con-

45 CFR Ch. XVI (10–1–09 Edition)

sistent with those of persons who are financially eligible for LSC-funded legal assistance; or

(ii) For a group having as a principal activity the delivery of services to those persons in the community who would be financially eligible for LSC-funded legal assistance, whether the financial or other socioeconomic characteristics of the persons served by the group are consistent with those of persons who are financially eligible for LSC-funded legal assistance and the assistance sought relates to such activity of the group.

(2) A recipient shall collect information that reasonably demonstrates that the group, corporation, association or other entity meets the eligibility criteria set forth herein.

(c) The eligibility requirements set forth herein apply only to legal assistance supported by funds from LSC, provided that any legal assistance provided by a recipient, regardless of the source of funds supporting the assistance, must be otherwise permissible under applicable law and regulation.

§ 1611.7 Manner of determining financial eligibility.

(a)(1) In making financial eligibility determinations regarding individual applicants, a recipient shall make reasonable inquiry regarding sources of the applicant's income, income prospects and assets. The recipient shall record income and asset information in the manner specified in this section.

(2) In making financial eligibility determinations regarding groups seeking LSC-supported legal assistance, a recipient shall follow the requirements set forth in § 1611.6(b) of this part.

(b) A recipient shall adopt simple intake forms and procedures to obtain information from applicants and groups to determine financial eligibility in a manner that promotes the development of trust between attorney and client. The forms shall be preserved by the recipient.

(c) If there is substantial reason to doubt the accuracy of the financial eligibility information provided by an applicant or group, a recipient shall make appropriate inquiry to verify the information, in a manner consistent with the attorney-client relationship.

Legal Services Corporation

Pt. 1611, App. A

(d) When one recipient has determined that a client is financially eligible for service in a particular case or matter, that recipient may request another recipient to extend legal assistance or undertake representation on behalf of that client in the same case or matter in reliance upon the initial financial eligibility determination. In such cases, the receiving recipient is not required to review or redetermine the client's financial eligibility unless there is a change in financial eligibility status as described in §1611.8 or there is substantial reason to doubt the validity of the original determination, provided that the referring recipient provides and the receiving recipient retains a copy of the intake form documenting the financial eligibility of the client.

§ 1611.8 Change in financial eligibility status.

(a) If, after making a determination of financial eligibility and accepting a client for service, the recipient becomes aware that a client has become financially ineligible through a change in circumstances, a recipient shall discontinue representation supported with LSC funds if the change in circumstances is sufficient, and is likely to continue, to enable the client to afford private legal assistance, and discontinuation is not inconsistent with applicable rules of professional responsibility.

(b) If, after making a determination of financial eligibility and accepting a client for service, the recipient later determines that the client is financially ineligible on the basis of later discovered or disclosed information, a recipient shall discontinue representation supported with LSC funds if the discontinuation is not inconsistent with applicable rules of professional responsibility.

§ 1611.9 Retainer agreements.

(a) When a recipient provides extended service to a client, the recipient shall execute a written retainer agreement with the client. The retainer agreement shall be executed when representation commences or as soon thereafter as is practicable. Such retainer agreement must be in a form consistent with the applicable rules of professional responsibility and prevailing practices in the recipient's service area and shall include, at a minimum, a statement identifying the legal problem for which representation is sought, and the nature of the legal services to be provided.

(b) No written retainer agreement is required for advice and counsel or brief service provided by the recipient to the client or for legal services provided to the client by a private attorney pursuant to 45 CFR part 1614.

(c) The recipient shall maintain copies of all retainer agreements generated in accordance with this section.

§ 1612.1 Purpose.

The purpose of this part is to ensure that LSC recipients and their employees do not engage in certain prohibited activities, including representation before legislative bodies or other direct lobbying activity, grassroots lobbying, participation in rulemaking, public demonstrations, advocacy training, and certain organizing activities. The part also provides guidance on when recipients may participate in public rulemaking or in efforts to encourage State or local governments to make funds available to support recipient activities, and when they may respond to

requests of legislative and administrative officials.

§ 1612.2 Definitions.

(a)(1) *Grassroots lobbying* means any oral, written or electronically transmitted communication or any advertisement, telegram, letter, article, newsletter, or other printed or written matter or device which contains a direct suggestion to the public to contact public officials in support of or in opposition to pending or proposed legislation, regulations, executive decisions, or any decision by the electorate on a measure submitted to it for a vote. It also includes the provision of financial contributions by recipients to, or participation by recipients in, any demonstration, march, rally, fundraising drive, lobbying campaign, letter writing or telephone campaign for the purpose of influencing the course of such legislation, regulations, decisions by administrative bodies, or any decision by the electorate on a measure submitted to it for a vote.

(2) *Grassroots lobbying* does not include communications which are limited solely to reporting on the content or status of, or explaining, pending or proposed legislation or regulations.

(b)(1) *Legislation* means any action or proposal for action by Congress or by a State or local legislative body which is intended to prescribe law or public policy. The term includes, but is not limited to, action on bills, constitutional amendments, ratification of treaties and intergovernmental agreements, approval of appointments and budgets,

(c) *Public policy* means an overall plan embracing the general goals and procedures of any governmental body and pending or proposed statutes, rules, and regulations.

(d)(1) *Rulemaking* means any agency process for formulating, amending, or repealing rules, regulations or guidelines of general applicability and future effect issued by the agency pursuant to Federal, State or local rulemaking procedures, including:

(i) The customary procedures that are used by an agency to formulate and adopt proposals for the issuance, amendment or revocation of regulations or other statements of general applicability and future effect, such as negotiated rulemaking and “notice and comment” rulemaking procedures under the Federal Administrative Procedure Act or similar procedures used by State or local government agencies; and

(ii) Adjudicatory proceedings that are formal adversarial proceedings to formulate or modify an agency policy of general applicability and future effect.

(2) *Rulemaking* does not include:

(i) Administrative proceedings that produce determinations that are of particular, rather than general, applicability and affect only the private rights, benefits or interests of individuals, such as Social Security hearings, welfare fair hearings, or granting or withholding of licenses;

(ii) Communication with agency personnel for the purpose of obtaining information, clarification, or interpretation of the agency’s rules, regulations, guidelines, policies or practices.

(e) *Public rulemaking* means any rulemaking proceeding or portion of such proceeding or procedure that is open to the public through notices of proposed rulemaking published in the FEDERAL REGISTER or similar State or local journals, announcements of public hearings on proposed rules or notices of

(f) *Similar procedure* refers to a legislative process by which matters must be determined by a vote of the electorate.

§ 1612.3 Prohibited legislative and administrative activities.

(a) Except as provided in §§ 1612.5 and 1612.6, recipients shall not attempt to influence:

A recipient shall not engage in any grassroots lobbying.

45 CFR Ch. XVI (10–1–09 Edition)

pre-litigation negotiation and negotiation in the course of litigation.

(7) Participating in activity related to the judiciary, such as the promulgation of court rules, rules of professional responsibility and disciplinary rules.

§ 1612.6 Permissible activities using non-LSC funds.

(a) If the conditions of paragraphs (b) and (c) of this section are met, recipients and their employees may use non-LSC funds to respond to a written request from a governmental agency or official thereof, elected official, legislative body, committee, or member thereof made to the employee, or to a recipient to:

(1) Testify orally or in writing;

(2) Provide information which may include analysis of or comments upon existing or proposed rules, regulations

or legislation, or drafts of proposed rules, regulations or legislation; or

(c) No employee of the recipient shall solicit or arrange for a request from any official to testify or otherwise provide information in connection with legislation or rulemaking.

(d) Recipients shall maintain copies of all written requests received by the recipient and written responses made in response thereto and make such requests and written responses available to monitors and other representatives of the Corporation upon request.

(f) Recipients may use non-LSC funds to contact or communicate with, or respond to a request from, a State or local government agency, a State or local legislative body or committee, or a member thereof, regarding funding for the recipient, including a pending or proposed legislative or agency proposal to fund such recipient.

§ 1612.7 Public demonstrations and activities.

(a) During working hours, while providing legal assistance or representation to the recipient's clients or while using recipient resources provided by the Corporation or by private entities, no person shall:

(1) Participate in any public demonstration, picketing, boycott, or strike, except as permitted by law in connection with the employee's own employment situation; or

(2) Encourage, direct, or coerce others to engage in such activities.

(b) No employee of a recipient shall at any time engage in or encourage others to engage in any:

(1) Rioting or civil disturbance;

Legal Services Corporation

Pt. 1613

(2) Activity determined by a court to be in violation of an outstanding injunction of any court of competent jurisdiction; or

(3) Other illegal activity that is inconsistent with an employee's responsibilities under applicable law, Corporation regulations, or the rules of professional responsibility of the jurisdiction where the recipient is located or the employee practices law.

(c) Nothing in this section shall prohibit an attorney from:

(1) Informing and advising a client about legal alternatives to litigation or the lawful conduct thereof; or

(2) Taking such action on behalf of a client as may be required by professional responsibilities or applicable law of any State or other jurisdiction.

§ 1612.8 Training.

(a) A recipient may not support or conduct training programs that:

(1) Advocate particular public policies;

(3) Disseminate information about such policies or activities; or

(4) Train participants to engage in activities prohibited by the Act, other applicable law, or Corporation regulations, guidelines or instructions.

(b) Nothing in this section shall be construed to prohibit training of any attorneys or paralegals, clients, lay advocates, or others involved in the representation of eligible clients necessary for preparing them:

(1) To provide adequate legal assistance to eligible clients; or

(a) Recipients may not use funds provided by the Corporation or by private entities to initiate the formation, or to act as an organizer, of any association, federation, labor union, coalition, network, alliance, or any similar entity.

(b) This section shall not be construed to apply to:

(1) Informational meetings attended by persons engaged in the delivery of legal services at which information about new developments in law and pending cases or matters are discussed; or

§ 1613.1

SOURCE: 43 FR 32775, July 28, 1978, unless otherwise noted.

§ 1613.1 Purpose.

This part is designed to insure that Corporation funds will not be used to provide legal assistance with respect to criminal proceedings unless such assistance is required as part of an attorney's responsibilities as a member of the bar.

§ 1613.2 Definition.

Criminal proceeding means the adversary judicial process prosecuted by a public officer and initiated by a formal complaint, information, or indictment charging a person with an offense denominated "criminal" by applicable law and punishable by death, imprisonment, or a jail sentence. A misdemeanor or lesser offense tried in an Indian tribal court is not a "criminal proceeding".

§ 1613.3 Prohibition.

Corporation funds shall not be used to provide legal assistance with respect to a criminal proceeding, unless authorized by this part.

§ 1613.4 Authorized representation.

Legal assistance may be provided with respect to a criminal proceeding.

(a) Pursuant to a court appointment made under a statute or a court rule or practice of equal applicability to all attorneys in the jurisdiction, if authorized by the recipient after a determination that it is consistent with the recipient's primary responsibility to provide legal assistance to eligible clients in civil matters; or

(b) When professional responsibility requires representation in a criminal proceeding arising out of a transaction with respect to which the client is being, or has been, represented by a recipient.

SOURCE: 50 FR 48591, Nov. 26, 1985, unless otherwise noted.

§ 1614.1 Purpose.

(a) This part is designed to ensure that recipients of Legal Services Corporation funds involve private attorneys in the delivery of legal assistance to eligible clients. Except as provided hereafter, a recipient of Legal Services Corporation funding shall devote an amount equal to at least twelve and one-half percent (12½%) of the recipient's LSC annualized basic field award to the involvement of private attorneys in such delivery of legal services; this requirement is hereinafter sometimes referred to as the "PAI requirement". Funds received from the Corporation as one-time special grants shall not be considered in determining a recipient's PAI requirement.

(b) Recipients of Native American or migrant funding shall provide opportunity for involvement in the delivery of services by the private bar in a manner which is generally open to broad participation in those activities undertaken with those funds, or shall demonstrate to the satisfaction of the Corporation that such involvement is not feasible.

(c) Because the Corporation's PAI requirement is based upon an effort to generate the most possible legal services for eligible clients from available, but limited, resources, recipients should attempt to assure that the market value of PAI activities substantially exceeds the direct and indirect costs being allocated to meet the requirements of this Part.

(d) As of January 1, 1986, the term "private attorney" as used in this Part means an attorney who is not a staff attorney as defined in §1600.1 of these regulations.

Legal Services Corporation

§ 1614.3

(e) After the effective date of this regulation, no PAI funds shall be committed for direct payment to any attorney who for any portion of the previous two years has been a staff attorney as defined in §1600.1 of these regulations; provided, however, that, for the remainder of the 1986 fiscal year, recipients may honor contractual arrangements made to such private attorneys if these arrangements were made before the effective date of this regulation; provided, further, however, that this paragraph shall not be construed to restrict the use of PAI funds in a *pro bono* or *judicare* project on the same terms that are available to other attorneys; and provided further, however, that this paragraph shall not be construed to restrict the payment of PAI funds as a result of work performed by an attorney who practices in the same firm with such former staff attorney.

[50 FR 48591, Nov. 26, 1985, as amended at 51 FR 21559, June 13, 1986]

§ 1614.2 General policy.

(a) This part implements the policy adopted by the Board of Directors of the Corporation which requires that a substantial amount of funds be made available to encourage the involvement of private attorneys in the delivery of legal assistance to eligible clients through both *pro bono* and compensated mechanisms, and that such funds be expended in an economic and efficient manner.

(b) In the case of recipients whose service areas are adjacent, coterminous or overlapping, the recipients may enter into joint efforts to involve the private attorneys in the delivery of legal services to eligible clients, subject to the prior approval of the Office of Field Services. In order to be approved the joint venture plan must meet the following conditions:

(1) The recipients involved in the joint venture must plan to expend at least twelve and one-half percent (12½%) of the aggregate of their basic field awards on PAI. In the case of recipients with adjacent service areas, 12½% of each recipient's grant shall be expended to PAI; provided, however, that such expenditure is subject to waiver under §1614.6;

(2) Each recipient in the joint venture must be a bona fide participant in the activities undertaken by the joint venture; and

(3) The joint PAI venture must provide an opportunity for involving private attorneys throughout the entire joint service area(s).

(c) Private attorney involvement shall be an integral part of a total local program undertaken within the established priorities of that program in a manner that furthers the statutory requirement of high quality, economical and effective client-centered legal assistance to eligible clients. Decisions concerning implementation of the substantial involvement requirement rest with the recipient through its governing body, subject to review and evaluation by the Corporation.

§ 1614.3 Range of activities.

(a) Activities undertaken by the recipient to meet the requirements of this part must include the direct delivery of legal assistance to eligible clients through programs such as organized *pro bono* plans, reduced fee plans, *judicare* panels, private attorney contracts, or those modified *pro bono* plans which provide for the payment of nominal fees by eligible clients and/or organized referral systems; except that payment of attorney's fees through "revolving litigation fund" systems, as described in §1614.5 of this part, shall neither be used nor funded under this part nor funded with any LSC support;

(b) Activities undertaken by recipients to meet the requirements of this part may also include, but are not limited to:

(1) Support provided by private attorneys to the recipient in its delivery of legal assistance to eligible clients on either a reduced fee or *pro bono* basis through the provision of community legal education, training, technical assistance, research, advice and counsel; co-counseling arrangements; or the use of private law firm facilities, libraries, computer-assisted legal research systems or other resources; and

(2) Support provided by the recipient in furtherance of activities undertaken pursuant to this Section including the provision of training, technical assistance, research, advice and counsel, or

the use of recipient facilities, libraries, computer assisted legal research systems or other resources.

(c) The specific methods to be undertaken by a recipient to involve private attorneys in the provision of legal assistance to eligible clients will be determined by the recipient's taking into account the following factors:

(1) The priorities established pursuant to part 1620 of these regulations;

(2) The effective and economic delivery of legal assistance to eligible clients;

(3) The linguistic and cultural barriers to effective advocacy.

(4) The actual or potential conflicts of interest between specific participating attorneys and individual eligible clients; and

(5) The substantive and practical expertise, skills, and willingness to undertake new or unique areas of the law of participating attorneys.

(d) Systems designed to provide direct services to eligible clients by private attorneys on either a *pro bono* or reduced fee basis, shall include at a minimum, the following components:

(1) Intake and case acceptance procedures consistent with the recipient's established priorities in meeting the legal needs of eligible clients;

(2) Case assignments which ensure the referral of cases according to the nature of the legal problems involved and the skills, expertise, and substantive experience of the participating attorney;

(3) Case oversight and follow-up procedures to ensure the timely disposition of cases to achieve, if possible, the result desired by the client and the efficient and economical utilization of recipient resources; and

(4) Access by private attorneys to LSC recipient resources, including those of LSC national and state support centers, that provide back-up on substantive and procedural issues of the law.

(e) The recipient shall demonstrate compliance with this part by utilizing financial systems and procedures and maintaining supporting documentation to identify and account separately for costs related to the PAI effort. Such systems and records shall meet the requirements of the Corporation's Audit

and Accounting Guide for Recipients and Auditors and shall have the following characteristics:

(1) They shall accurately identify and account for:

(i) The recipient's administrative, overhead, staff, and support costs related to PAI activities. Non-personnel costs shall be allocated on the basis of reasonable operating data. All methods of allocating common costs shall be clearly documented. If any direct or indirect time of staff attorneys or paralegals is to be allocated as a cost to PAI, such costs must be documented by time sheets accounting for the time those employees have spent on PAI activities. The timekeeping requirement does not apply to such employees as receptionists, secretaries, intake personnel or bookkeepers; however, personnel cost allocations for non-attorney or non-paralegal staff should be based on other reasonable operating data which is clearly documented;

(ii) Payments to private attorneys for support or direct client services rendered. The recipient shall maintain contracts on file which set forth payment systems, hourly rates, and maximum allowable fees. Bills and/or invoices from private attorneys shall be submitted before payments are made. Encumbrances shall not be included in calculating whether a recipient has met the requirement of this part;

(iii) Contractual payments to individuals or organizations that undertake administrative, support, and/or direct services to eligible clients on behalf of the recipient consistent with the provisions of this part. Contracts concerning transfer of LSC funds for PAI activities shall require that such funds be accounted for by the recipient in accordance with LSC guidelines, including the requirements of the Audit and Accounting Guide for Recipients and Auditors and 45 CFR part 1627;

(iv) Other such actual costs as may be incurred by the recipient in this regard.

(2) Support and expenses relating to the PAI effort must be reported separately in the recipient's year-end audit. This shall be done by establishing a separate fund or providing a separate schedule in the financial statement to account for the entire PAI allocation.

Legal Services Corporation

§ 1614.6

Recipients are not required to establish separate bank accounts to segregate funds allocated to PAI. Auditors are required to perform sufficient audit tests to enable them to render an opinion on the recipient's compliance with the requirements of this part.

(3) In private attorney models, attorneys may be reimbursed for actual costs and expenses. Attorney's fees paid may not exceed 50% of the local prevailing market rate for that type of service.

(4) All records pertaining to a recipient's PAI requirements which do not contain client confidences or secrets as defined by applicable state law shall be made available for inspection and review by LSC auditors and monitors during regular business hours.

§ 1614.4 Procedure.

(a) The recipient shall develop a plan and budget to meet the requirements of this part which shall be incorporated as a part of the refunding application or initial grant application. The budget shall be modified as necessary to fulfill this part. That plan shall take into consideration:

(1) The legal needs of eligible clients in the geographical area served by the recipient and the relative importance of those needs consistent with the priorities established pursuant to section 1007(a)(2)(C) of the Legal Services Corporation Act (42 U.S.C. 2996f(a)(2)(C)) and part 1620 of the Regulations (45 CFR part 1620) adopted pursuant thereto;

(2) The delivery mechanisms potentially available to provide the opportunity for private attorneys to meet the established priority legal needs of eligible clients in an economical and effective manner; and

(3) The results of the consultation as required below.

(b) The recipient shall consult with significant segments of the client community, private attorneys, and bar associations, including minority and women's bar associations, in the recipient's service area in the development of its annual plan to provide for the involvement of private attorneys in the provision of legal assistance to eligible clients and shall document that each year its proposed annual plan has been

presented to all local bar associations within the recipient's service area and shall summarize their response.

§ 1614.5 Prohibition of revolving litigation funds.

(a) A revolving litigation fund system is a system under which a recipient systematically encourages the acceptance of fee-generating cases as defined in §1609.2 of these regulations by advancing funds to private attorneys to enable them to pay costs, expenses, or attorneys fees for representing clients.

(b) No funds received from the Legal Services Corporation shall be used to establish or maintain revolving litigation fund systems.

(c) The prohibition in paragraph (b) of this section does not prevent recipients from reimbursing or paying private attorneys for costs and expenses, provided:

(1) The private attorney is representing an eligible client in a matter in which representation of the eligible client by the recipient would be allowed under the Act and under the Corporation's Regulations; and

(2) The private attorney has expended such funds in accordance with a schedule previously approved by the recipient's governing body or, prior to initiating action in the matter, has requested the recipient to advance the funds.

(d) Nothing in this section shall prevent a recipient from recovering from a private attorney the amount advanced for any costs, expenses, or fees from an award to the attorney for representing an eligible client.

§ 1614.6 Waivers.

(a) While it is the expectation and experience of the Corporation that most basic field programs can effectively expend their PAI requirement, there are some circumstances, temporary or permanent, under which the goal of economical and effective use of Corporation funds will be furthered by a partial, or in exceptional circumstances, a complete waiver of the PAI requirement.

(b) A complete waiver shall be granted by the Office of Field Services (OFS)

§ 1614.6

45 CFR Ch. XVI (10–1–09 Edition)

when the recipient shows to the satisfaction of OFS that:

(1) Because of the unavailability of qualified private attorneys, an attempt to carry out a PAI program would be futile; or

(2) All qualified private attorneys in the program's service area either refuse to participate or have conflicts generated by their practice which render their participation inappropriate.

(c) A partial waiver shall be granted by OFS when the recipient shows to the satisfaction of OFS that:

(1) The population of qualified private attorneys available to participate in the program is too small to use the full PAI allocation economically and effectively; or

(2) Despite the recipient's best efforts too few qualified private attorneys are willing to participate in the program to use the full PAI allocation economically and effectively; or

(3) Despite a recipient's best efforts,—including, but not limited to , communicating its problems expending the required amount to OFS and requesting and availing itself of assistance and/or advice from OFS regarding the problem—expenditures already made during a program year are insufficient to meet the PAI requirement, and there is insufficient time to make economical and efficient expenditures during the remainder of a program year, but in this instance, unless the shortfall resulted from unforeseen and unusual circumstances, the recipient shall accompany the waiver request with a plan to avoid such a shortfall in the future; or

(4) The recipient uses a fee-for-service program whose current encumbrances and projected expenditures for the current fiscal year would meet the requirement, but its actual current expenditures do not meet the requirement, and could not be increased to do so economically and effectively in the remainder of the program year, or could not be increased to do so in a fiscally responsible manner in view of outstanding encumbrances; or

(5) The recipient uses a fee-for-service program and its PAI expenditures in the prior year exceeded the twelve and one-half percent (12½%) require-

ment but, because of variances in the timing of work performed by the private attorneys and the consequent billing for that work, its PAI expenditures for the current year fail to meet the twelve and one-half percent (12½%) requirement; or

(6) If, in the reasonable judgment of the recipient's governing body, it would not be economical and efficient for the recipient to expend its full 12½% of Corporation funds on PAI activities, provided that the recipient has handled and expects to continue to handle at least 12½% of cases brought on behalf of eligible clients through its PAI program(s).

(d) (1) A waiver of special accounting and bookkeeping requirements of this part may be granted by the Audit Division with the concurrence of OFS, if the recipient shows to the satisfaction of the Audit Division of OFS that such waiver will advance the purpose of this part as expressed in §§1614.1 and 1614.2.

(2) As provided in 45 CFR 1627.3(c) with respect to subgrants, alternatives to Corporation audit requirements or to the accounting requirements of this part may be approved for subgrants by the Audit Division with the concurrence of OFS; such alternatives for PAI subgrants shall be approved liberally where necessary to foster increased PAI participation.

(e) Waivers of the PAI expenditure requirement may be full or partial, that is, the Corporation may waive all or some of the required expenditure for a fiscal year.

(1) Applications for waivers of any requirement under this part may be for the current, or next fiscal year. All such applications must be in writing. Applications for waivers for the current fiscal year must be received by the Corporation during the current fiscal year.

(2) At the expiration of a waiver a recipient may seek a similar or identical waiver.

(f) All Waiver requests shall be addressed to the Office of Field Services (OFS) or the Audit Division as is appropriate under the preceding provisions of this Part. The Corporation shall make a written response to each such request postmarked not later than thirty (30) days after its receipt.

Legal Services Corporation

Pt. 1616

If the request is denied, the Corporation will provide the recipient with an explanation and statement of the grounds for denial. If the waiver is to be denied because the information submitted is insufficient, the Corporation will inform the recipient as soon as possible, both orally and in writing, about what additional information is needed. Should the Corporation fail to so respond, the request shall be deemed to be granted.

§ 1614.7 Failure to comply.

(a) If a recipient fails to comply with the expenditure required by this part and if that recipient fails without good cause to seek a waiver during the term of the grant or contract, the Corporation shall withhold from the recipient's support payments an amount equal to the difference between the amount expended on PAI and twelve and one-half percent (12½%) of the recipient's basic field award.

(b) If a recipient fails with good cause to seek a waiver, or applies for but does not receive a waiver, or receives a waiver of part of the PAI requirement and does not expend the amount required to be expended, the PAI expenditure requirement for the ensuing year shall be increased for that recipient by an amount equal to the difference between the amount actually expended and the amount required to be expended.

(c) Any funds withheld by the Corporation pursuant to this section shall be made available by the Corporation for use in providing legal services in the recipient's service area through PAI programs. Disbursement of these funds shall be made through a competitive solicitation and awarded on the basis of efficiency, quality, creativity, and demonstrated commitment to PAI service delivery to low-income people.

(d) The withholding of funds under this section shall not be construed as a termination of financial assistance under part 1606 of these regulations or a denial of refunding under part 1625 of these regulations.

SOURCE: 63 FR 64648, Nov. 23, 1998, unless otherwise noted.

§ 1623.1 Purpose.

The purpose of this rule is to:

(a) Ensure that the Corporation is able to take prompt action when necessary to safeguard LSC funds or to ensure the compliance of a recipient with applicable provisions of law, or a rule, regulation, guideline or instruction issued by the Corporation, or the terms and conditions of a recipient's grant or contract with the Corporation; and

(b) Provide procedures for prompt review that will ensure informed deliberation by the Corporation when it has made a proposed determination that financial assistance to a recipient should be suspended.

§ 1623.2 Definitions.

For the purposes of this part:

(a) *Knowing and willful* means that the recipient had actual knowledge of the fact that its action or lack thereof constituted a violation and despite such knowledge, undertook or failed to undertake the action.

(b) *Recipient* means any grantee or contractor receiving legal assistance from the Corporation under section 1006(a)(1)(A) of the LSC Act.

(c) *Suspension* means an action taken during the term of the recipient's current grant or contract with the Corporation that withholds financial as-

sistance to a recipient, in whole or in part, until the end of the suspension period pending corrective action by the recipient or a decision by the Corporation to initiate termination proceedings.

§ 1623.3 Grounds for suspension.

(a) Financial assistance provided to a recipient may be suspended when the Corporation determines that there has been a substantial violation by the recipient of an applicable provision of law, or a rule, regulation, guideline or instruction issued by the Corporation, or a term or condition of the recipient's current grant or contract with the Corporation; and the Corporation has reason to believe that prompt action is necessary to:

(1) Safeguard LSC funds; or

(2) Ensure immediate corrective action necessary to bring a recipient into compliance with an applicable provision of law, or a rule, regulation, guideline or instruction issued by the Corporation, or the terms and conditions of the recipient's grant or contract with the Corporation.

(b) A determination of whether there has been a substantial violation for the purposes of paragraph (a) of this section will be based on consideration of the following criteria:

(1) The number of restrictions or requirements violated;

(2) Whether the violation represents an instance of noncompliance with a substantive statutory or regulatory restriction or requirement, rather than an instance of noncompliance with a non-substantive technical or procedural requirement;

(3) The extent to which the violation is part of a pattern of noncompliance with LSC requirements or restrictions;

(4) The extent to which the recipient failed to take action to cure the violation when it became aware of the violation; and

(5) Whether the violation was knowing and willful.

(c) Financial assistance provided to a recipient may also be suspended by the Corporation pursuant to a recommendation by the Office of Inspector General when the recipient has failed to have an acceptable audit in

§ 1623.4

accordance with the guidance promulgated by the Corporation's Office of Inspector General.

§ 1623.4 Suspension procedures.

(a) When the Corporation has made a proposed determination, based on the grounds set out in §1623.3, that financial assistance to a recipient should be suspended, the Corporation shall serve a written proposed determination on the recipient. The proposed determination shall:

(1) State the grounds and effective date for the proposed suspension;

(2) Identify, with reasonable specificity, any facts or documents relied upon as justification for the suspension;

(3) Specify what, if any, corrective action the recipient can take to avoid or end the suspension;

(4) Advise the recipient that it may request, within 5 days of receipt of the proposed determination, an informal meeting with the Corporation at which it may attempt to show that the proposed suspension should not be imposed; and

(5) Advise the recipient that, within 10 days of its receipt of the proposed determination and without regard to whether it requests an informal meeting, it may submit written materials in opposition to the proposed suspension.

(b) If the recipient requests an informal meeting with the Corporation, the Corporation shall designate the time and place for the meeting. The meeting shall occur within 5 days after the recipient's request is received.

(c) The Corporation shall consider any written materials submitted by the recipient in opposition to the proposed suspension and any oral presentation or written materials submitted by the recipient at an informal meeting. If, after considering such materials, the Corporation determines that the recipient has failed to show that the suspension should not become effective, the Corporation may issue a written final determination to suspend financial assistance to the recipient in whole or in part and under such terms and conditions the Corporation deems appropriate and necessary.

(d) The final determination shall be promptly transmitted to the recipient

45 CFR Ch. XVI (10–1–09 Edition)

in a manner that verifies receipt of the determination by the recipient, and the suspension shall become effective when the final determination is received by the recipient or on such later date as is specified therein.

(e) The Corporation may at any time rescind or modify the terms of the final determination to suspend and, on written notice to the recipient, may reinstate the suspension without further proceedings under this part. Except as provided in paragraph (f) of this section, the total time of a suspension shall not exceed 30 days, unless the Corporation and the recipient agree to a continuation of the suspension for up to a total of 60 days without further proceedings under this part.

(f) When the suspension is based on the grounds in §1623.3(c), a recipient's funds may be suspended until an acceptable audit is completed.

§ 1623.5 Time extensions and waiver.

(a) Except for the time limits in §1623.4(e), any period of time provided in this part may be extended by the Corporation for good cause. Requests for extensions of time shall be considered in light of the overall objective that the procedures prescribed by this part ordinarily shall be concluded within 30 days of the service of the proposed determination.

(b) Any other provision of this part may be waived or modified by agreement of the recipient and the Corporation for good cause.

(c) Failure by the Corporation to meet a time requirement of this part shall not preclude the Corporation from suspending a recipient's grant or contract with the Corporation.

§ 1623.6 Interim funding.

(a) Pending the completion of suspension proceedings under this part, the Corporation shall provide the recipient with the level of financial assistance provided for under its current grant or contract with the Corporation.

(b) Funds withheld pursuant to a suspension shall be returned to the recipient at the end of the suspension period.

§ 1624.1 Purpose.

The purpose of this part is to assist and provide guidance to legal services programs supported in whole or in part by Legal Services Corporation funds in removing any impediments that may exist to the provision of legal assistance to persons with disabilities eligible for such assistance in accordance with section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. 794 and with sections 1007(a) (1) and (3) of the Legal Services Corporation Act, as amended, 42 U.S.C. 2996f(a) (1) and (3), with respect to the provision of services to and employment of persons with disabilities. The requirements of this Part apply in addition to any responsibilities legal services programs may have under applicable requirements of the Americans with Disabilities Act and applicable implementing regulations of the Department of Justice and the Equal Employment Opportunity Commission.

§ 1624.2 Application.

This part applies to each legal services program receiving financial assistance from the Legal Services Corporation.

§ 1624.3 Definitions.

As used in this part, the term:

(a) *Legal services program* means any recipient, as defined by §1600.1 of this chapter, or any other public or private agency, institution, organization, or other entity, or any person to which or to whom financial assistance is extended by the Legal Services Corporation directly or through another agen-

cy, institution, organization, entity or person, including any successor, assignee, or transferee of a legal services program, but does not include the ultimate beneficiary of legal assistance;

(b) *Facility* means all or any portion of buildings, structures, equipment, roads, walks, parking lots, or other real or personal property or interest in such property;

(c)(1) *Person with a disability* means any person who:

(i) Has a physical or mental impairment which substantially limits one or more major life activities,

(ii) has a record of such an impairment, or (iii) is regarded as having such an impairment;

(2) As used in paragraph (c)(1) of this section the phrase:

(i) *Physical or mental impairment* means: (A) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: Neurological; musculoskeletal; special sense organs; digestive; genitourinary; hemic and lymphatic; skin; and endocrine; or (B) any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities; The phrase includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, and drug addiction and alcoholism;

(ii) *Major life activities* means functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working;

(iii) *Has a record of such impairment* means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities;

(iv) *Is regarded as having an impairment* means: (A) Has a physical or mental impairment that does not substantially limit major life activities but is treated by a legal services program as constituting such a limitation; (B) has a physical or mental impairment that

§ 1624.4

45 CFR Ch. XVI (10–1–09 Edition)

substantially limits major life activities only as a result of the attitudes of others toward such impairments; or (C) has none of the impairments defined in paragraph (c)(2)(i) of this section but is treated by a legal services program as having such an impairment;

(d) *Qualified person with a disability* means:

(1) With respect to employment, a person with a disability who, with reasonable accommodation, can perform the essential functions of the job in question;

(2) with respect to other services, a person with a disability who meets the eligibility requirements for the receipt of such services from the legal services program.

(e) *Auxiliary aids and/or other assistive technologies* means any item, piece of equipment, or product system whether acquired commercially off the shelf, modified or customized, that is used to increase, maintain, or improve functional capabilities of individuals with disabilities. Auxiliary aids and/or other assistive technologies include, but are not limited to, brailled and taped material, interpreters, telecommunications equipment for the deaf, voice recognition software, computer screen magnifiers, screen reader software, wireless amplification systems, and other aids.

§ 1624.4 Discrimination prohibited.

(a) No qualified person with a disability shall, on the basis of disability, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination by any legal services program, directly or through any contractual or other arrangement.

(b) A legal services program may not deny a qualified person with a disability the opportunity to participate in any of its programs or activities or to receive any of its services provided at a facility on the ground that the program operates a separate or different program, activity or facility that is specifically designed to serve persons with disabilities.

(c) In determining the geographic site or location of a facility, a legal services program may not make selections that have the purpose or effect of

excluding persons with disabilities from, denying them the benefits of, or otherwise subjecting them to discrimination under any program or activity of the legal services program.

(d)(1) A legal services program that employs a total of fifteen or more persons, regardless of whether such persons are employed at one or more locations, shall provide, when necessary, appropriate auxiliary aids and/or other assistive technologies to persons with impaired sensory, manual or speaking skills, in order to afford such persons an equal opportunity to benefit from the legal services program's services. A legal services program is not required to maintain such aids at all times, provided they can be obtained on reasonable notice.

(2) The Corporation may require legal services programs with fewer than fifteen employees to provide auxiliary aids and/or other assistive technologies where the provision of such aids would not significantly impair the ability of the legal services program to provide its services.

(e) A legal services program shall take reasonable steps to ensure that communications with its applicants, employees, and beneficiaries are available to persons with impaired vision and hearing.

(f) A legal services program may not deny persons with disabilities the opportunity to participate as members of or in the meetings or activities of any planning or advisory board or process established by or conducted by the legal services program, including but not limited to meetings and activities conducted in response to the requirements of 45 CFR part 1620.

§ 1624.5 Accessibility of legal services.

(a) No qualified person with a disability shall, because a legal services program's facilities are inaccessible to or unusable by persons with disabilities, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination by any legal services program.

(b) A legal services program shall conduct its programs and activities so that, when viewed in their entirety, they are readily accessible to and usable by persons with disabilities. This

Legal Services Corporation

§ 1624.6

paragraph does not necessarily require a legal services program to make each of its existing facilities or every part of an existing facility accessible to and usable by persons with disabilities, or require a legal services program to make structural changes in existing facilities when other methods are effective in achieving compliance. In choosing among available methods for meeting the requirements of this paragraph, a legal services program shall give priority to those methods that offer legal services to persons with disabilities in the most integrated setting appropriate.

(c) A legal services program shall, to the maximum extent feasible, ensure that new facilities that it rents or purchases are accessible to persons with disabilities. Prior to entering into any lease or contract for the purchase of a building, a legal services program shall submit a statement to LSC certifying that the facilities covered by the lease or contract will be accessible to persons with disabilities, or if the facilities will not be accessible, a detailed description of the efforts the program made to obtain accessible space, the reasons why the inaccessible facility was nevertheless selected, and the specific steps that will be taken by the legal services program to ensure that its services are accessible to persons with disabilities who would otherwise use that facility. After a statement certifying facility accessibility has been submitted, additional statements need not be resubmitted with respect to the same facility, unless substantial changes have been made in the facility that affect its accessibility.

(d) A legal services program shall ensure that new facilities designed or constructed for it are readily accessible to and usable by persons with disabilities. Alterations to existing facilities shall, to the maximum extent feasible, be designed and constructed to make the altered facilities readily accessible to and usable by persons with disabilities.

§ 1624.6 Employment.

(a) No qualified person with a disability shall, on the basis of disability, be subjected to discrimination in em-

ployment by any legal services program.

(b) A legal services program shall make all decisions concerning employment under any program or activity to which this part applies in a manner that ensures that discrimination on the basis of disability does not occur, and may not limit, segregate, or classify applicants or employees in any way that adversely affects their opportunities or status because of disability.

(c) The prohibition against discrimination in employment applies to the following activities:

(1) Recruitment, advertising, and the processing of applications for employment;

(2) Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff, and rehiring;

(3) Rates of pay or any other form of compensation and changes in compensation;

(4) Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists;

(5) Leaves of absence, sick leave, or any other leave;

(6) Fringe benefits available by virtue of employment, whether or not administered by the legal services program;

(7) Selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, and selection for leaves of absence to pursue training;

(8) Employer sponsored activities, including social or recreational programs; and

(9) Any other term, condition, or privilege of employment.

(d) A legal services program may not participate in any contractual or other relationship with persons, agencies, organizations or other entities such as, but not limited to, employment and referral agencies, labor unions, organizations providing or administering fringe benefits to employees of the legal services program, and organizations providing training and apprenticeship programs, if the practices of such person, agency, organization, or other entity have the effect of subjecting qualified

§ 1624.7

applicants or employees with disabilities to discrimination prohibited by this paragraph.

(e) A legal services program shall make reasonable accommodation to the known physical or mental limitations of an otherwise qualified applicant or employee with a disability unless the accommodation would impose an undue hardship on the operation of the program.

(1) For purposes of this paragraph (e), reasonable accommodation may include:

(i) Making facilities used by employees readily accessible to and usable by persons with disabilities; and

(ii) job restructuring, part-time or modified work schedules, acquisition or modification of equipment or devices, the provision of auxiliary aids and/or other assistive technologies, and other similar actions.

(2) In determining whether an accommodation would impose an undue hardship on the operation of a legal services program, factors to be considered include, but are not limited to, the overall size of the legal services program with respect to number of employees, number and type of facilities, and size of budget, and the nature and costs of the accommodation needed.

(3) A legal services program may not deny any employment opportunity to a qualified employee or applicant with a disability if the basis for the denial is a need to make reasonable accommodation to the physical or mental limitations of the employee or applicant.

(f) A legal services program may not use employment tests or criteria that discriminate against persons with disabilities, and shall ensure that employment tests are adapted for use by persons who have disabilities that impair sensory, manual, or speaking skills.

(g) A legal services program may not conduct a pre-employment medical examination or make a pre-employment inquiry as to whether an applicant is a person with a disability or as to the nature or severity of a disability except under the circumstances described in 45 CFR 84.14(a) through (d)(2). The Corporation shall have access to relevant information obtained in accordance with this section to permit investigations of alleged violations of this part.

45 CFR Ch. XVI (10–1–09 Edition)

(h) A legal services program shall post in prominent places in each of its offices a notice stating that the legal services program does not discriminate on the basis of disability.

(i) Any recruitment materials published or used by a legal services program shall include a statement that the legal services program does not discriminate on the basis of disability.

§ 1624.7 Enforcement.

(a) The procedures described in part 1618 of these regulations shall apply to any alleged violation of this Part by a legal services program.

(b) When LSC receives a complaint of a violation of this part, LSC policy is generally to refer such complainants promptly to the appropriate Federal, state or local agencies, although LSC retains the discretion to investigate all complaints and/or to maintain an open complaint file during the pendency of an investigation being conducted by such other Federal, state or local agency. LSC may use, at its discretion, information obtained by such other agency as may be available to LSC, including findings of such other agency of whether discrimination on the basis of disability occurred.

Legal Services Corporation

§ 1626.5

§ 1626.1 Purpose.

This part is designed to ensure that recipients provide legal assistance only to citizens of the United States and eligible aliens. It is also designed to assist recipients in determining the eligibility and immigration status of persons who seek legal assistance.

§ 1626.2 Definitions.

(a) *Citizen* includes persons described or defined as citizens or nationals of the United States in 8 U.S.C. 1101(a)(22) and Title III of the Immigration and Nationality Act (INA), Chapter 1 (8 U.S.C. 1401 *et seq.*) (citizens by birth) and Chapter 2 (8 U.S.C. 1421 *et seq.*) (citizens by naturalization) or antecedent citizen statutes.

(b) *Eligible alien* means a person who is not a citizen but who meets the requirements of § 1626.5.

(c) *Ineligible alien* means a person who is not a citizen and who does not meet the requirements of § 1626.5.

(d) *Rejected* refers to an application for adjustment of status that has been denied by the Immigration and Naturalization Service (INS) and is not subject to further administrative appeal.

(e) To provide legal assistance *on behalf of* an ineligible alien is to render legal assistance to an eligible client which benefits an ineligible alien and does not affect a specific legal right or interest of the eligible client.

(f) *Battered or subjected to extreme cruelty* includes, but is not limited to, being the victim of any act or threatened act of violence, including any forceful detention, which results or threatens to result in physical or mental injury. Psychological or sexual abuse or exploitation, including rape, molestation, incest (if the victim is a minor), or forced prostitution shall be considered acts of violence. Other abusive actions may also be acts of violence under certain circumstances, including acts that, in and of themselves, may not initially appear violent but that are a part of an overall pattern of violence.

(g) *Legal assistance directly related to the prevention of, or obtaining relief from, the battery or cruelty* means any legal assistance that will assist victims of abuse in their escape from the abusive situation, ameliorate the current ef-

fects of the abuse, or protect against future abuse.

(h) *United States*, for purposes of this part, has the same meaning given that term in 8 U.S.C. 1101(a)(38) of the INA.

[62 FR 19414, Apr. 21, 1997, as amended at 62 FR 45757, Aug. 29, 1997]

§ 1626.3 Prohibition.

Except as provided in § 1626.4, recipients may not provide legal assistance for or on behalf of an ineligible alien. For purposes of this part, legal assistance does not include normal intake and referral services.

§ 1626.4 Applicability.

(a) Except for § 1626.12, the requirements of this part do not apply to the use of non-LSC funds by a recipient to provide legal assistance to an alien:

(1) Who has been battered or subjected to extreme cruelty in the United States by a spouse or a parent, or by a member of the spouse's or parent's family residing in the same household as the alien and the spouse or parent consented or acquiesced to such battery or cruelty; or

(2) Whose child has been battered or subjected to extreme cruelty in the United States by a spouse or parent of the alien (without the active participation of the alien in the battery or extreme cruelty), or by a member of the spouse's or parent's family residing in the same household as the alien and the spouse or parent consented or acquiesced to such battery or cruelty, and the alien did not actively participate in such battery or cruelty; provided that the legal assistance is directly related to the prevention of, or obtaining relief from, the battery or cruelty.

(b) Recipients are not required by § 1626.12 to maintain records regarding the immigration status of clients represented pursuant to paragraph (a) of this section.

§ 1626.5 Alien status and eligibility.

Subject to all other eligibility requirements and restrictions of the LSC Act and regulations and other applicable law, a recipient may provide legal assistance to an alien who is present in the United States and who is within one of the following categories:

§ 1626.6

(a) An alien lawfully admitted for permanent residence as an immigrant as defined by section 1101(a)(20) of the INA (8 U.S.C. 1101(a)(20));

(b) An alien who is either married to a United States citizen or is a parent or an unmarried child under the age of 21 of such a citizen and who has filed an application for adjustment of status to permanent resident under the INA, and such application has not been rejected;

(c) An alien who is lawfully present in the United States pursuant to an admission under section 207 of the INA (8 U.S.C. 1157) (relating to refugee admissions) or who has been granted asylum by the Attorney General under section 208 of the INA (8 U.S.C. 1158).

(d) An alien who is lawfully present in the United States as a result of being granted conditional entry pursuant to section 203(a)(7) of the INA (8 U.S.C. 1153(a)(7)), as in effect on March 31, 1980) before April 1, 1980, because of persecution or fear of persecution on account of race, religion, or political opinion or because of being uprooted by catastrophic natural calamity;

(e) An alien who is lawfully present in the United States as a result of the Attorney General's withholding of deportation pursuant to section 243(h) of the INA (8 U.S.C. 1253(h)); or

(f) An alien who meets the requirements of § 1626.10 or 1626.11.

§ 1626.6 Verification of citizenship.

(a) A recipient shall require all applicants for legal assistance who claim to be citizens to attest in writing in a standard form provided by the Corporation that they are citizens, unless the only service provided for a citizen is brief advice and consultation by telephone which does not include continuous representation.

(b) When a recipient has reason to doubt that an applicant is a citizen, the recipient shall require verification of citizenship. A recipient shall not consider factors such as a person's accent, limited English-speaking ability, appearance, race or national origin as a reason to doubt that the person is a citizen.

(1) If verification is required, a recipient may accept originals, certified copies, or photocopies that appear to

45 CFR Ch. XVI (10–1–09 Edition)

(v) Baptismal certificate showing place of birth within the United States and date of baptism within two months after birth.

(2) A recipient may also accept any other authoritative document such as a document issued by INS, by a court or by another governmental agency, that provides evidence of citizenship.

(3) If a person is unable to produce any of the above documents, the person may submit a notarized statement signed by a third party, who shall not be an employee of the recipient and who can produce proof of that party's own United States citizenship, that the person seeking legal assistance is a United States citizen.

§ 1626.7 Verification of eligible alien status.

(a) An alien seeking representation shall submit appropriate documents to verify eligibility, unless the only service provided for an eligible alien is brief advice and consultation by telephone which does not include continuous representation of a client.

(1) As proof of eligibility, a recipient may accept originals, certified copies, or photocopies that appear to be complete, correct and authentic, of any of the documents found in the appendix to this part.

(2) A recipient may also accept any other authoritative document issued by the INS, by a court or by another governmental agency, that provides evidence of alien status.

(b) A recipient shall upon request furnish each person seeking legal assistance with a list of the documents in the appendix to this part.

§ 1626.8 Emergencies.

In an emergency, legal services may be provided prior to compliance with §§ 1626.6 and § 1626.7 if:

Legal Services Corporation

§ 1626.11

(a) An applicant cannot feasibly come to the recipient's office or otherwise transmit written documentation to the recipient before commencement of the representation required by the emergency, and the applicant provides oral information to establish eligibility which the recipient records, and the applicant submits the necessary documentation as soon as possible; or

(b) An applicant is able to come to the recipient's office but cannot produce the required documentation before commencement of the representation, and the applicant signs a statement of eligibility and submits the necessary documentation as soon as possible; and

(c) The recipient informs clients accepted under paragraph (a) or (b) of this section that only limited emergency legal assistance may be provided without satisfactory documentation and that, if the client fails to produce timely and satisfactory written documentation, the recipient will be required to discontinue representation consistent with the recipient's professional responsibilities.

§ 1626.9 Change in circumstances.

If, to the knowledge of the recipient, a client who was an eligible alien becomes ineligible through a change in circumstances, continued representation is prohibited by this part and a recipient must discontinue representation consistent with applicable rules of professional responsibility.

§ 1626.10 Special eligibility questions.

(a)(1) This part is not applicable to recipients providing services in the Commonwealth of the Northern Mariana Islands, the Republic of Palau, the Federated States of Micronesia, or the Republic of the Marshall Islands.

Since the status of these aliens is that of permanent resident alien under section 1101(a)(20) of Title 8, these workers may be provided legal assistance. These workers are ineligible for legal assistance in order to obtain the adjustment of status of temporary resident under IRCA, but are eligible for legal assistance after the application for adjustment of status to that of temporary resident has been filed, and the application has not been rejected.

§ 1627.1 Purpose.

In order to promote accountability for Corporation funds and the observance of the provisions of the Legal Services Corporation Act and the Corporation's regulations adopted pursuant thereto, it is necessary to set out the rules under which Corporation funds may be transferred by recipients to other organizations (including other recipients).

§ 1627.2 Definitions.

(a) *Recipient* as used in this part means any recipient as defined in section 1002(6) of the Act and any grantee

or contractor receiving funds from the Corporation under section 1006(a)(1)(B) or 1006(a)(3) of the Act.

(b)(1) *Subrecipient* shall mean any entity that accepts Corporation funds from a recipient under a grant contract, or agreement to conduct certain activities specified by or supported by the recipient related to the recipient's programmatic activities. Such activities would normally include those that might otherwise be expected to be conducted directly by the recipient itself, such as representation of eligible clients, or which provide direct support to a recipient's legal assistance activities or such activities as client involvement, training or state support activities. Such activities would not normally include those that are covered by a fee-for-service arrangement, such as those provided by a private law firm or attorney representing a recipient's clients on a contract or judicare basis, except that any such arrangement involving more than \$25,000 shall be included. Subrecipient activities would normally also not include the provision of goods or services by vendors or consultants in the normal course of business if such goods or services would not be expected to be provided directly by the recipient itself, such as auditing or business machine purchase and/or maintenance. A single entity could be

§ 1627.3

a subrecipient with respect to some activities it conducts for a recipient while not being a subrecipient with respect to other activities it conducts for a recipient.

(2) *Subgrant* shall mean any transfer of Corporation funds from a recipient which qualifies the organization receiving such funds as a subrecipient under the definition set forth in paragraph (b)(1) of this section.

(c) *Membership fees or dues* as used in this part means payments to an organization on behalf of a program or individual to be a member thereof, or to acquire voting or participatory rights therein.

[48 FR 54209, Nov. 30, 1983, as amended at 61 FR 45754, Aug. 29, 1996; 62 FR 19418, Apr. 21, 1997]

§ 1627.3 Requirements for all subgrants.

(a)(1) All subgrants must be submitted in writing to the Corporation for prior, written approval. The submission shall include the terms and conditions of the subgrant and the amount of funds intended to be transferred.

(2) The Corporation shall have 45 days to approve, disapprove, or suggest modifications to the subgrant. A subgrant which is disapproved or to which modifications are suggested may be resubmitted for approval. Should the Corporation fail to take action within 45 days, the recipient shall notify the Corporation of this failure and, unless the Corporation responds within 7 days of the receipt of such notification, the subgrant shall be deemed to have been approved.

(3) Any subgrant not approved according to the procedures of paragraph (a)(2) of this section shall be subject to audit disallowance and recovery of all the funds expended pursuant thereto.

(4) Any subgrant which is a continuation of a previous subgrant and which expires before March 1, 1984 may be extended until March 1, 1984, if a new subgrant agreement is submitted for approval to the Corporation by January 15, 1984. In the event the Corporation refuses to allow the renewal of any such submitted agreement, the recipient shall be permitted to allow the sub-

recipient 60 days' funding to close out the subgrant activities.

(b)(1) A subgrant may not be for a period longer than one year, and all funds remaining at the end of the grant period shall be considered part of the recipient's fund balance.

(2) All subgrants shall contain a provision providing for their orderly termination in the event that the recipient's funding is terminated or the recipient is not refunded and for suspension of activities if the recipient's funding is suspended.

(3) A substantial change in the work program of a subgrant or an increase or decrease in funding of more than 10% shall require Corporation approval pursuant to the provisions of section 1627.3(a). Minor changes of work program or changes in funding of less than 10% shall not require prior Corporation approval, but the Corporation shall be informed in writing thereof.

(c) Recipients shall be responsible for ensuring that subrecipients comply with the financial and audit provisions of the Corporation. The recipient is responsible for ensuring the proper expenditure, accounting for, and audit of delegated funds. Any funds delegated by a recipient to a subrecipient shall be subject to the audit and financial requirements of the Audit and Accounting Guide for Recipients and Auditors. The delegated funds may be separately disclosed and accounted for, and reported upon in the audited financial statements of a recipient; or such funds may be included in a separate audit report of the subrecipient. The relationship between the recipient and subrecipient will determine the proper method of financial reporting in accordance with generally accepted accounting principles. A subgrant agreement may provide for alternative means of assuring the propriety of subrecipient expenditures, especially in instances where a large organization receives a small subgrant. If such an alternate means is approved by the Audit Division of the Corporation, the information provided thereby shall satisfy the recipient's annual audit requirement with regard to the subgrant funds.

(d) The recipient shall be responsible for repaying the Corporation for any

§ 1627.4

disallowed expenditures by a subrecipient, irrespective of whether the recipient is able to recover such expenditures from the subrecipient.

(e) To assure subrecipient compliance with the Act, Congressional restrictions having the force of law, Corporation Regulations (45 CFR chapter XVI), and Corporation Guidelines or Instructions, contracts between a recipient and a subrecipient shall provide for the same oversight rights for the Corporation with respect to subrecipients as apply to recipients.

[48 FR 54209, Nov. 30, 1983, as amended at 49 FR 1703, Jan. 13, 1984]

§ 1627.4 Membership fees or dues.

(a) LSC funds may not be used to pay membership fees or dues to any private or nonprofit organization, whether on behalf of a recipient or an individual.

(b) Paragraph (a) of this section does not apply to the payment of membership fees or dues mandated by a governmental organization to engage in a profession, or to the payment of membership fees or dues from non-LSC funds.

[62 FR 19418, Apr. 21, 1997]

§ 1627.5 Contributions.

Any contributions or gifts of Corporation funds to another organization or to an individual are prohibited.

§ 1627.6 Transfers to other recipients.

(a) The requirements of § 1627.3 shall apply to all subgrants by one recipient to another recipient.

(b) The subrecipient shall audit any funds subgranted to it in its annual audit and supply a copy of this audit to the recipient. The recipient shall either submit the relevant part of this audit with its next annual audit or, if an audit has been recently submitted, submit it as an addendum to that recently submitted audit.

(c) In addition to the provisions of § 1627.3(d), the Corporation may hold the subrecipient directly responsible for any disallowed expenditures of subgrant funds. Thus, the Corporation may recover all of the disallowed costs from either recipient or subrecipient or may divide the recovery between the two; the Corporation's total recovery

45 CFR Ch. XVI (10–1–09 Edition)

may not exceed the amount of expenditures disallowed.

(d) Funds received by a recipient from other recipients in the form of fees and dues shall be accounted for and included in the annual audit of the recipient receiving these funds as Corporation funds.

§ 1627.7 Tax sheltered annuities, retirement accounts and pensions.

No provision contained in this part shall be construed to affect any payment by a recipient on behalf of its employees for the purpose of contributing to or funding a tax sheltered annuity, retirement account, or pension fund.

[62 FR 19418, Apr. 21, 1997]

§ 1627.8 Recipient policies, procedures and recordkeeping.

Each recipient shall adopt written policies and procedures to guide its staff in complying with this part and shall maintain records sufficient to document the recipient's compliance with this part.

§ 1628.1 Purpose

The purpose of this part is to set out the Corporation's policies and procedures applicable to recipient fund balances. The Corporation's fund balance policies are intended to ensure the timely expenditure of LSC funds for the effective and economical provision of high quality legal assistance to eligible clients.

Legal Services Corporation

§ 1628.4

§ 1628.2 Definitions.

(a) *Excess fund balance* means a recipient's LSC fund balance that exceeds the amount a recipient is permitted to retain under this part.

(b) *LSC support* means the sum of:

(1) The amount of financial assistance awarded by the Corporation to the recipient for the fiscal year included in the recipient's annual audited financial statement, not including one-time and special purpose grants; and

(2) Any LSC derivative income, as defined in § 1630.2(c), earned by the recipient for the fiscal year included in the recipient's annual audited financial statement, not including derivative income from one-time and special purpose grants.

(c) The *LSC fund balance* is the excess of LSC support plus the prior year carryover amount over expenditures of LSC funds (including capital acquisitions), as each is reported in the recipient's annual financial statements.

(d) The *fund balance percentage* is the amount of the LSC fund balance expressed as a percentage of the recipient's LSC support.

(e) *Recipient*, as used in this part, means any grantee or contractor receiving financial assistance from the Corporation under section 1006(a)(1)(A) of the LSC Act.

§ 1628.3 Policy.

(a) Recipients are permitted to retain from one fiscal year to the next LSC fund balances up to 10% of their LSC support.

(b) Recipients may request a waiver to retain a fund balance up to a maximum of 25% of their LSC support for special circumstances.

(c) Recipients may request a waiver to retain a fund balance in excess of 25% of a recipient's LSC support only for the following extraordinary and compelling circumstances when the recipient receives an insurance reimbursement, the proceeds from the sale of real property, or a payment from a lawsuit in which the recipient was a party.

(d) A waiver pursuant to paragraph (b) or (c) of this section may be granted at the discretion of the Corporation pursuant to the criteria set out in § 1628.4(d).

(e) In the absence of a waiver, a fund balance in excess of 10% of LSC support shall be repaid to the Corporation. If a waiver of the 10% ceiling is granted, any fund balance in excess of the amount permitted to be retained shall be repaid to the Corporation.

(f) A recovery of an excess fund balance pursuant to this part does not constitute a termination under 45 CFR part 1606. *See* § 1606.2(c)(2)(ii).

(g) One-time and special purpose grants awarded by the Corporation are not subject to the fund balance policy set forth in this part. Revenue and expenses relating to such grants shall be reflected separately in the audit report submitted to the Corporation. This may be done by establishing a separate fund or by providing a separate supplemental schedule of revenue and expenses related to such grants as a part of the audit report. No funds provided under a one-time or special purpose grant may be expended subsequent to the expiration date of the grant without the prior written approval of the Corporation. Absent approval from the Corporation, all unexpended funds under such grants shall be returned to the Corporation.

§ 1628.4 Procedures.

(a) Within 30 days of the submission to LSC of its annual audited financial statements, a recipient may request a waiver of the 10% ceiling on LSC fund balances. The request shall specify:

(1) The LSC fund balance as reported in the recipient's annual audited financial statements;

(2) The reason(s) the excess fund balance resulted;

(3) The recipient's plan for disposition of the excess fund balance during the current fiscal year;

(4) The amount of fund balance projected to be carried forward at the close of the recipient's current fiscal year; and

(5) The special circumstances justifying the retention of the excess fund balance up to 25%, or the extraordinary and compelling circumstances set out in § 1628.3(c) justifying a fund balance in excess of 25%.

(b) Within 45 days of receipt of the recipient's waiver request submitted pursuant to paragraph (a) of this section,

§ 1628.5

45 CFR Ch. XVI (10–1–09 Edition)

the Corporation shall provide a written response to the request and a written notice to the recipient of any fund balance due and payable to the Corporation as well as the method for repayment.

(c) In the event that repayment is required, the Corporation shall give written notice 30 days prior to the effective date for repayment. Repayment shall be in a lump sum or by pro rata deductions from the recipient's grant checks for a specific number of months. The Corporation shall determine which of the specified methods of repayment is reasonable and appropriate in each case after consultation with the recipient.

(d) The decision of the Corporation regarding the granting of a waiver shall be guided by the statutory mandate requiring the recipient to provide high quality legal services in an effective and economical manner. In addition, the Corporation shall consider the following factors:

(1) Emergencies, unusual or unexpected occurrences, or the circumstances giving rise to the existence of a fund balance in excess of 10% of LSC support set out in §1628.3(b) or (c);

(2) the special needs of clients;

(3) The need to retain a cash reserve for payments to private attorneys participating in the recipient's private attorney involvement (PAI) program; for acquisition of equipment or property; or for other expenditures which are reasonable and necessary for the performance of the LSC grant; and

(4) The recipient's financial management record.

(e) The Corporation's written approval of a request for a waiver shall require that the recipient use the funds it is permitted to retain within the time period set out in the approval and for the purposes approved by the Corporation.

(f) Excess fund balances approved by the Corporation for expenditure by a recipient shall be separately reported by natural line item in the current fiscal year's audited financial statements. This may be done by establishing a separate fund or by providing a separate supplemental schedule as part of the audit report.

(g) The recipient shall promptly inform and seek guidance from the Corporation when it determines a need for any changes to the conditions on timing or purposes set out in the Corporation's written approval of a recipient's request for a waiver.

§ 1628.5 Fund balance deficits.

(a) Sound financial management practices such as those set out in Chapter 3 of the Corporation's Accounting Guide for LSC Recipients should preclude deficit spending. Use of current year LSC grant funds to liquidate deficit balances in the LSC fund from a preceding period requires the prior written approval of the Corporation.

(b) Within 30 days of the submission of the recipient's annual audit, the recipient may apply to the Corporation for approval of the expenses associated with the liquidation of the deficit balance in the LSC fund.

(c) In the absence of approval by the Corporation, expenditures of current year LSC grant funds to liquidate a deficit from a prior year shall be identified as questioned costs under 45 CFR part 1630.

(d) The recipient's request must specify the same information relative to the deficit LSC fund balance as that set forth in §1628.4(a)(1) and (2). Additionally, the recipient must develop and submit a plan approved by its governing body describing the measures which will be implemented to prevent a recurrence of a deficit balance in the LSC fund. The Corporation reserves the right to require changes in the submitted plan.

(e) The decision of the Corporation regarding acceptance of these deficit-related costs shall be guided by the statutory mandate requiring the recipient to provide high quality legal services performed in an effective and economical manner. Special consideration will be given for emergencies, unusual occurrences, or other special circumstances giving rise to a deficit balance.

SOURCE: 49 FR 28717, July 16, 1984, unless otherwise noted.

§ 1629.1 General.

(a) If any program which receives Corporation funds is not a government, or an agency or instrumentality thereof, such program shall carry fidelity bond coverage at a minimum level of at least ten (10) percent of the program's annualized LSC funding level for the previous fiscal year, or of the initial grant or contract, if the program is a new grantee or contractor. No coverage carried pursuant to this part shall be at a level less than \$50,000.

(b) A fidelity bond is a bond indemnifying such program against losses resulting from the fraud or lack of integrity, honesty or fidelity of one or more employees, officers, agents, directors or other persons holding a position of trust with the program.

§ 1629.2 Persons required to be bonded.

(a) Every director, officer, employee and agent of a program who handles funds or property of the program shall be bonded as provided in this part.

(b) Such bond shall provide protection to the program against loss by reason of acts of fraud or dishonesty on the part of such director, officer, employee or agent directly or through connivance with others.

§ 1629.3 Criteria for determining handling.

(a) The term "handles" shall be deemed to encompass any relationship of a director, officer, employee or agent with respect to funds or other property which can give rise to a risk of loss through fraud or dishonesty. This shall include relationships such as those which involve access to funds or other property or decision-making powers with respect to funds or property which can give rise to such risk of loss.

(b) Subject to the application of the basic standard of risk of loss to each situation, the criteria for determining whether there is "handling" so as to require bonding are:

(1) Physical contact with cash, checks or similar property;

(2) The power to secure physical possession of cash, checks or similar property such as through access to a safe deposit box or similar depository, access to cash or negotiable instruments and assets, power of custody or safekeeping, or the power to borrow or withdraw funds from a bank or other account whether or not physical contact actually takes place;

(3) The power to transfer or cause to be transferred property such as mortgages, title to land and buildings, or securities, through actual or apparent authority, to oneself or to a third party, or to be negotiated for value.

(c) Persons who actually disburse funds or other property, such as officers authorized to sign checks or other negotiable instruments, or persons who make cash disbursements, shall be considered to be "handling" such funds or property.

(d) In connection with disbursements, any persons with the power to sign or endorse checks or similar instruments or otherwise render them transferable, whether individually or as cosigners with one or more persons, shall each be considered to be "handling" such funds or other property.

(e) To the extent a person's supervisory or decision-making responsibility involves factors in relationship to funds discussed in paragraphs (b) (1), (2), (3), or paragraphs (c) and (d) of this section, such persons shall be considered to be "handling" in the same manner as any person to whom the criteria of those subparagraphs apply.

§ 1629.4 Meaning of fraud or dishonesty.

The term "fraud or dishonesty" shall be deemed to encompass all those risks of loss that might arise through dishonest or fraudulent acts in the handling of funds as delineated in § 1629.3. As such, the bond must provide recovery for loss occasioned by such acts even though no personal gain accrues to the person committing the act and

§ 1629.5

the act is not subject to punishment as a crime or misdemeanor, provided that within the law of the state in which the act is committed, a court could afford recovery under a bond providing protection against fraud or dishonesty. As applied under state laws, the term “fraud or dishonesty” encompasses such matters as larceny, theft, embezzlement, forgery, misappropriation, wrongful abstraction, wrongful conversion, willful misapplication or any other fraudulent or dishonest acts.

§ 1629.5 Form of bonds.

Any form of bond which may be described as individual, schedule or blanket, or any combination of such forms of bonds, shall be acceptable to meet the requirements of this part. The basic types of bonds in general usage are:

- (a) An individual bond which covers a named individual in a stated penalty;
- (b) A name schedule bond which covers a number of named individuals in the respective amounts set opposite their names;
- (c) A position schedule bond which covers all of the occupants of positions listed in the schedule in the respective amounts set opposite such positions;
- (d) A blanket bond which covers all the insured's directors, officers, employees and agents with no schedule or list of those covered being necessary and with all new directors, officers, employees and agents bonded automatically, in a blanket penalty.

§ 1629.6 Effective date.

- (a) Each program shall certify in its Application for Refunding, beginning with the application for FY 1985 funds, that it has obtained a bond or bonds which satisfy the requirements of this part.
- (b) A copy of such bond or bonds shall be provided to the Corporation at its request.

§ 1630.1 Purpose.

This part is intended to provide uniform standards for allowability of costs and to provide a comprehensive, fair, timely, and flexible process for the resolution of questioned costs.

§ 1630.2 Definitions.

- (a) *Allowed costs* means a questioned cost that the Corporation, in a management decision, has determined to be eligible for payment from a recipient's Corporation funds.
- (b) *Corrective action* means action taken by a recipient that:
 - (1) Corrects identified deficiencies;
 - (2) Produces recommended improvements; or
 - (3) Demonstrates that audit or other findings are either invalid or do not warrant recipient action.
- (c) *Derivative income* means income earned by a recipient from Corporation-supported activities during the term of a Corporation grant or contract, and includes, but is not limited to, income from fees for services (including attorney fee awards and reimbursed costs), sales and rentals of real or personal property, and interest earned on Corporation grant or contract advances.
- (d) *Disallowed cost* means a questioned cost that the Corporation, in a management decision, has determined should not be charged to a recipient's Corporation funds.

(e) *Final action* means the completion of all actions that Corporation management, in a management decision, has concluded are necessary with respect to the findings and recommendations in an audit or other report. In the event that Corporation management concludes no corrective action is necessary, final action occurs when a management decision has been made.

(f) *Management decision* means the evaluation by Corporation management of findings and recommendations in an audit or other report and the recipient's response to the report, and the issuance of a final, written decision by management concerning its response to such findings and recommendations, including any corrective actions which Corporation management has concluded are necessary to address the findings and recommendations.

(g) *Questioned cost* means a cost that a recipient has charged to Corporation funds which Corporation management, the Office of Inspector General, the General Accounting Office, or an independent auditor or other audit organization authorized to conduct an audit of a recipient has questioned because of an audit or other finding that:

(1) There may have been a violation of a provision of a law, regulation, contract, grant, or other agreement or document governing the use of Corporation funds;

(2) The cost is not supported by adequate documentation; or

(3) The cost incurred appears unnecessary or unreasonable and does not reflect the actions a prudent person would take in the circumstances.

(h) *Recipient* as used in this part means any grantee or contractor receiving funds from the Corporation under sections 1006(a)(1) or 1006(a)(3) of the Act.

[62 FR 68225, Dec. 31, 1997; 63 FR 1532, Jan. 9, 1998]

§ 1630.3 Standards governing allowability of costs under Corporation grants or contracts.

(a) *General criteria.* Expenditures by a recipient are allowable under the recipient's grant or contract only if the recipient can demonstrate that the cost was:

(1) Actually incurred in the performance of the grant or contract and the recipient was liable for payment;

(2) Reasonable and necessary for the performance of the grant or contract as approved by the Corporation;

(3) Allocable to the grant or contract;

(4) In compliance with the Act, applicable appropriations law, Corporation rules, regulations, guidelines, and instructions, the Accounting Guide for LSC Recipients, the terms and conditions of the grant or contract, and other applicable law;

(5) Consistent with accounting policies and procedures that apply uniformly to both Corporation-financed and other activities of the recipient;

(6) Accorded consistent treatment over time;

(7) Determined in accordance with generally accepted accounting principles;

(8) Not included as a cost or used to meet cost sharing or matching requirements of any other federally financed program, unless the agency whose funds are being matched determines in writing that Corporation funds may be used for federal matching purposes; and

(9) Adequately and contemporaneously documented in business records accessible during normal business hours to Corporation management, the Office of Inspector General, the General Accounting Office, and independent auditors or other audit organizations authorized to conduct audits of recipients.

(b) *Reasonable costs.* A cost is reasonable if, in its nature or amount, it does not exceed that which would be incurred by a prudent person under the same or similar circumstances prevailing at the time the decision was made to incur the cost. If a questioned cost is disallowed solely on the ground that it is excessive, only the amount that is larger than reasonable shall be disallowed. In determining the reasonableness of a given cost, consideration shall be given to:

(1) Whether the cost is of a type generally recognized as ordinary and necessary for the operation of the recipient or the performance of the grant or contract;

(2) The restraints or requirements imposed by such factors as generally

accepted sound business practices, arms-length bargaining, Federal and State laws and regulations, and the terms and conditions of the grant or contract;

(3) Whether the recipient acted with prudence under the circumstances, considering its responsibilities to its clients and employees, the public at large, the Corporation, and the Federal government; and

(4) Significant deviations from the established practices of the recipient which may unjustifiably increase the grant or contract costs.

(c) *Allocable costs.* A cost is allocable to a particular cost objective, such as a grant, project, service, or other activity, in accordance with the relative benefits received. Costs may be allocated to Corporation funds either as direct or indirect costs according to the provisions of this section. A cost is allocable to a Corporation grant or contract if it is treated consistently with other costs incurred for the same purpose in like circumstances and if it:

(1) Is incurred specifically for the grant or contract;

(2) Benefits both the grant or contract and other work and can be distributed in reasonable proportion to the benefits received; or

(3) Is necessary to the overall operation of the recipient, although a direct relationship to any particular cost objective cannot be shown.

(d) *Direct costs.* Direct costs are those that can be identified specifically with a particular final cost objective, i.e., a particular grant award, project, service, or other direct activity of an organization. Costs identified specifically with grant awards are direct costs of the awards and are to be assigned directly thereto. Direct costs include, but are not limited to, the salaries and wages of recipient staff who are working on cases or matters that are identified with specific grants or contracts. Salary and wages charged directly to Corporation grants and contracts must be supported by personnel activity reports.

(e) *Indirect costs.* Indirect costs are those that have been incurred for common or joint objectives and cannot be readily identified with a particular final cost objective. Any direct cost of

a minor amount may be treated as an indirect cost for reasons of practicality where the accounting treatment for such cost is consistently applied to all final cost objectives. Indirect costs include, but are not limited to, the costs of operating and maintaining facilities, and the costs of general program administration, such as the salaries and wages of program staff whose time is not directly attributable to a particular grant or contract. Such staff may include, but are not limited to, executive officers and personnel, accounting, secretarial and clerical staff.

(f) *Allocation of indirect costs.* Where a recipient has only one major function, i.e., the delivery of legal services to low-income clients, allocation of indirect costs may be by a simplified allocation method, whereby total allowable indirect costs (net of applicable credits) are divided by an equitable distribution base and distributed to individual grant awards accordingly. The distribution base may be total direct costs, direct salaries and wages, attorney hours, numbers of cases, numbers of employees, or another base which results in an equitable distribution of indirect costs among funding sources.

(g) *Exception for certain indirect costs.* Some funding sources may refuse to allow the allocation of certain indirect costs to an award. In such instances, a recipient may allocate a proportional share of another funding source's share of an indirect cost to Corporation funds, provided that the activity associated with the indirect cost is permissible under the LSC Act and regulations.

(h) *Applicable credits.* Applicable credits are those receipts or reductions of expenditures which operate to offset or reduce expense items that are allocable to grant awards as direct or indirect costs. Applicable credits include, but are not limited to, purchase discounts, rebates or allowances, recoveries or indemnities on losses, insurance refunds, and adjustments of overpayments or erroneous charges. To the extent that such credits relate to allowable costs, they shall be credited as a cost reduction or cash refund in the same fund to which the related costs are charged.

(i) *Guidance.* The Circulars of the Office of Management and Budget shall

Legal Services Corporation

§ 1630.7

provide guidance for all allowable cost questions arising under this part when relevant policies or criteria therein are not inconsistent with the provisions of the Act, applicable appropriations law, this part, the Accounting Guide for LSC Recipients, Corporation rules, regulations, guidelines, instructions, and other applicable law.

[62 FR 68225, Dec. 31, 1997; 63 FR 1532, Jan. 9, 1998]

§ 1630.4 Burden of proof.

The recipient shall have the burden of proof under this part.

§ 1630.5 Costs requiring Corporation prior approval.

(a) *Advance understandings.* Under any given grant award, the reasonableness and allocability of certain cost items may be difficult to determine. In order to avoid subsequent disallowance or dispute based on unreasonableness or nonallocability, recipients may seek a written understanding from the Corporation in advance of incurring special or unusual costs. If a recipient elects not to seek an advance understanding from the Corporation, the absence of an advance understanding on any element of a cost does not affect the reasonableness or allocability of the cost.

(b) *Prior approvals.* Without prior written approval of the Corporation, no cost attributable to any of the following may be charged to Corporation funds:

(1) Pre-award costs and costs incurred after the cessation of funding;

(2) Purchases and leases of equipment, furniture, or other personal, non-expendable property, if the current purchase price of any individual item of property exceeds \$10,000;

(3) Purchases of real property; and

(4) Capital expenditures exceeding \$10,000 to improve real property.

(c) *Duration.* The Corporation's approval or advance understanding shall be valid for one year, or for a greater period of time which the Corporation may specify in its approval or understanding.

§ 1630.6 Timetable and basis for granting prior approval.

(a) The Corporation shall grant prior approval of a cost if the recipient has provided sufficient written information to demonstrate that the cost would be consistent with the standards and policies of this part. If the Corporation denies a request for approval, it shall provide to the recipient a written explanation of the grounds for denying the request.

(b) Except as provided in paragraphs (c) and (d) of this section, the Corporation may not assert the absence of prior approval as a basis for disallowing a questioned cost, if the Corporation has not responded to a written request for approval within sixty (60) days of receiving the request.

(c) If additional information is necessary to enable the Corporation to respond to a request for prior approval, the Corporation may make a written request for additional information within forty-five (45) days of receiving the request for approval.

(d) If the Corporation has made a written request for additional information about a cost as provided by paragraph (c) of this section, and if the Corporation has not responded within thirty (30) days of receiving in writing all additional, requested information, the Corporation may not assert the absence of prior approval as a basis for disallowing the cost.

§ 1630.7 Review of questioned costs and appeal of disallowed costs.

(a) When the Office of Inspector General, the General Accounting Office, or an independent auditor or other audit organization authorized to conduct an audit of a recipient has identified and referred a questioned cost to the Corporation, Corporation management shall review the findings of the Office of Inspector General, General Accounting Office, or independent auditor or other authorized audit organization, as well as the recipient's written response to the findings, in order to determine accurately the amount of the questioned cost, the factual circumstances giving rise to the cost, and the legal basis for disallowing the cost. Corporation management may also identify

questioned costs in the course of its oversight of recipients.

(b) If Corporation management determines that there is a basis for disallowing a questioned cost, and if not more than five years have elapsed since the recipient incurred the cost, Corporation management shall provide to the recipient written notice of its intent to disallow the cost. The written notice shall state the amount of the cost and the factual and legal basis for disallowing it.

(c) Within thirty (30) days of receiving written notice of the Corporation's intent to disallow the questioned cost, the recipient may respond with written evidence and argument to show that the cost was allowable, or that the Corporation, for equitable, practical, or other reasons, should not recover all or part of the amount, or that the recovery should be made in installments. If the recipient does not respond to the Corporation's written notice, Corporation management shall issue a management decision on the basis of information available to it.

(d) Within sixty (60) days of receiving the recipient's written response to the notice of intent to disallow the questioned cost, Corporation management shall issue a management decision stating whether or not the cost has been disallowed, the reasons for the decision, and the method of appeal as provided in this section.

(1) If Corporation management has determined that the questioned cost should be allowed, and that no corrective action by the recipient is necessary, final action with respect to the questioned cost occurs at the time when the Corporation issues the management decision.

(2) If Corporation management has determined that the questioned cost should be disallowed, the management decision shall also describe the expected recipient action to repay the cost, including the method and schedule for collection of the amount of the cost. The management decision may also require the recipient to make financial adjustments or take other corrective action to prevent a recurrence of the circumstances giving rise to the disallowed cost.

(e) If the amount of a disallowed cost exceeds \$2,500, the recipient may appeal in writing to the Corporation President within thirty (30) days of receiving the Corporation's management decision to disallow the cost. The written appeal should state in detail the reasons why the Corporation should not disallow part or all of the questioned cost. If the amount of a disallowed cost does not exceed \$2,500, or if the recipient elects not to appeal the disallowance of a cost in excess of \$2,500, the Corporation's management decision shall be final.

(f) Within thirty (30) days of receipt of the recipient's appeal of a disallowed cost in excess of \$2,500, the President shall either adopt, modify, or reverse the Corporation's management decision to disallow the cost. If the President has had prior involvement in the consideration of the disallowed cost, the President shall designate another senior Corporation employee who has not had prior involvement to review the recipient's appeal. The President shall also have discretion, in circumstances where the President has not had prior involvement in the disallowed cost, to designate another senior Corporation employee to review the recipient's appeal, provided that the senior Corporation employee has not had prior involvement in the disallowed cost.

(g) The decision of the President or designee shall be final and shall be based on the written record, consisting of the Corporation's notice of intent to disallow the questioned cost, the recipient's response, the management decision, the recipient's written appeal, any additional response or analysis provided to the President or designee by Corporation staff, and the relevant findings, if any, of the Office of Inspector General, General Accounting Office, or other authorized auditor or audit organization. Upon request, the Corporation shall provide a copy of the written record to the recipient.

§ 1630.8 Recovery of disallowed costs and other corrective action.

(a) The Corporation shall recover any disallowed costs from the recipient within the time limits and conditions

Legal Services Corporation

§ 1630.13

set forth in the Corporation's management decision. Recovery of the disallowed costs may be in the form of a reduction in the amount of future grant checks or in the form of direct payment from the recipient to the Corporation.

(b) The Corporation shall ensure that a recipient which has incurred a disallowed cost takes any additional, necessary corrective action within the time limits and conditions set forth in the Corporation's management decision. The recipient shall have taken final action when the recipient has repaid all disallowed costs and has taken all corrective action which the Corporation has stated in its management decision is necessary to prevent the recurrence of circumstances giving rise to a questioned cost.

(c) In the event of an appeal of the Corporation's management decision, the decision of the President or designee shall supersede the Corporation's management decision, and the recipient shall repay any disallowed costs and take necessary corrective action according to the terms and conditions of the decision of the President or designee.

§ 1630.9 Other remedies; effect on other parts.

(a) In cases of serious financial mismanagement, fraud, or defalcation of funds, the Corporation shall refer the matter to the Office of Inspector General, and may take appropriate action pursuant to parts 1606, 1623, 1625, and 1640 of this chapter.

(b) The recovery of a disallowed cost according to the procedures of this part does not constitute a permanent reduction in the annualized funding level of the recipient, nor does it constitute a termination of financial assistance under part 1606, a suspension of funding under part 1623, or a denial of refunding under part 1625.

§ 1630.10 Applicability to subgrants.

When disallowed costs arise from expenditures incurred under a subgrant of Corporation funds, the recipient and the subrecipient will be jointly and severally responsible for the actions of the subrecipient, as provided by 45 CFR part 1627, and will be subject to all

remedies available under this part. Both the recipient and the subrecipient shall have access to the review and appeal procedures of this part.

§ 1630.11 Applicability to non-LSC funds.

(a) No costs attributable to a purpose prohibited by the LSC Act, as defined by 45 CFR 1610.2(a), may be charged to private funds, except for tribal funds used for the specific purposes for which they were provided. No cost attributable to an activity prohibited by or inconsistent with section 504, as defined by 45 CFR 1610.2(b), may be charged to non-LSC funds, except for tribal funds used for the specific purposes for which they were provided.

(b) According to the review and appeal procedures of 45 CFR 1630.7, the Corporation may recover from a recipient's Corporation funds an amount not to exceed the amount improperly charged to non-LSC funds.

§ 1630.12 Applicability to derivative income.

(a) Derivative income resulting from an activity supported in whole or in part with funds provided by the Corporation shall be allocated to the fund in which the recipient's LSC grant is recorded in the same proportion that the amount of Corporation funds expended bears to the total amount expended by the recipient to support the activity.

(b) Derivative income which is allocated to the LSC fund in accordance with paragraph (a) of this section is subject to the requirements of this part, including the requirement of 45 CFR 1630.3(a)(4) that expenditures of such funds be in compliance with the Act, applicable appropriations law, Corporation rules, regulations, guidelines, and instructions, the Accounting Guide for LSC recipients, the terms and conditions of the grant or contract, and other applicable law.

(a) *Computation.* Time limits specified in this part shall be computed in accordance with Rules 6(a) and 6(e) of the Federal Rules of Civil Procedure.

§ 1634.1 Purpose.

This part is designed to improve the delivery of legal assistance to eligible clients through the use of a competitive system to award grants and contracts for the delivery of legal services. The purposes of such a competitive system are to:

(a) Encourage the effective and economical delivery of high quality legal services to eligible clients that is consistent with the Corporation's Performance Criteria and the American Bar Association's Standards for Providers of Civil Legal Services to the

Poor through an integrated system of legal services providers;

(b) Provide opportunities for qualified attorneys and entities to compete for grants and contracts to deliver high quality legal services to eligible clients;

(c) Encourage ongoing improvement of performance by recipients in providing high quality legal services to eligible clients;

(d) Preserve local control over resource allocation and program priorities; and

(e) Minimize disruptions in the delivery of legal services to eligible clients within a service area during a transition to a new provider.

§ 1634.2 Definitions.

(a) *Qualified applicants* are those persons, groups or entities described in section 1634.5(a) of this part who are eligible to submit notices of intent to compete and applications to participate in a competitive bidding process as described in this part.

(b) *Review panel* means a group of individuals who are not Corporation staff but who are engaged by the Corporation to review applications and make recommendations regarding awards of grants or contracts for the delivery of legal assistance to eligible clients. A majority of review panel members shall be lawyers who are supportive of the purposes of the LSC Act and experienced in and knowledgeable about the delivery of legal assistance to low-income persons, and eligible clients or representatives of low-income community groups. The remaining members of the review panel shall be persons who are supportive of the purposes of the LSC Act and have an interest in and knowledge of the delivery of quality legal services to the poor. No person may serve on a review panel for an applicant with whom the person has a financial interest or ethical conflict; nor may the person have been a board member of or employed by that applicant in the past five years.

(c) *Service area* is the area defined by the Corporation to be served by grants or contracts to be awarded on the basis of a competitive bidding process. A service area is defined geographically and may consist of all or part of the

§ 1634.3

area served by a current recipient, or it may include an area larger than the area served by a current recipient.

(d) *Subpopulation of eligible clients* includes Native Americans and migrant farm workers and may include other groups of eligible clients that, because they have special legal problems or face special difficulties of access to legal services, might better be addressed by a separate delivery system to serve that client group effectively.

§ 1634.3 Competition for grants and contracts.

(a) After the effective date of this part, all grants and contracts for legal assistance awarded by the Corporation under Section 1006(a)(1)(A) of the LSC Act shall be subject to the competitive bidding process described in this part. No grant or contract for the delivery of legal assistance shall be awarded by the Corporation for any period after the effective date of this part, unless the recipient of that grant has been selected on the basis of the competitive bidding process described in this part.

(b) The Corporation shall determine the service areas to be covered by grants or contracts and shall determine whether the population to be served will consist of all eligible clients within the service area or a specific subpopulation of eligible clients within one or more service areas.

(c) The use of the competitive bidding process to award grant(s) or contract(s) shall not constitute a termination or denial of refunding of financial assistance to a current recipient pursuant to parts 1606 and 1625 of this chapter.

(d) Wherever possible, the Corporation shall award no more than one grant or contract to provide legal assistance to eligible clients or a subpopulation of eligible clients within a service area. The Corporation may award more than one grant or contract to provide legal assistance to eligible clients or a subpopulation of eligible clients within a service area only when the Corporation determines that it is necessary to award more than one such grant or contract in order to ensure that all eligible clients within the service area will have access to a full range of high quality legal services in accord-

45 CFR Ch. XVI (10–1–09 Edition)

ance with the LSC Act or other applicable law.

(e) In no event may the Corporation award a grant or contract for a term longer than five years. The amount of funding provided annually under each such grant or contract is subject to changes in congressional appropriations or restrictions on the use of those funds by the Corporation. A reduction in a recipient's annual funding required as a result of a change in the law or a reduction in funding appropriated to the Corporation shall not be considered a termination or denial of refunding under parts 1606 or 1625 of this chapter.

§ 1634.4 Announcement of competition.

(a) The Corporation shall give public notice that it intends to award a grant or contract for a service area on the basis of a competitive bidding process, shall take appropriate steps to announce the availability of such a grant or contract in the periodicals of State and local bar associations, and shall publish a notice of the Request For Proposals (RFP) in at least one daily newspaper of general circulation in the area to be served under the grant or contract. (b) After reviewing the written recommendations, the President shall select the applicants to be awarded grants or contracts from the Corporation and the Corporation shall notify each applicant in writing of the President's decision regarding each applicant's application.

(c) In the event that there are no applicants for a service area or that the Corporation determines that no applicant meets the criteria and therefore determines not to award a grant or contract for a particular service area, the Corporation shall take all practical steps to ensure the continued provision of legal assistance in that service area. The Corporation shall have discretion to determine how legal assistance is to be provided to the service area, including, but not limited to, enlarging the service area of a neighboring recipient, putting a current recipient on month-

to-month funding or entering into a short term, interim grant or contract with another qualified provider for the provision of legal assistance in the service area until the completion of a competitive bidding process within a reasonable period of time.

§ 1634.9 Selection criteria.

(a) The criteria to be used to select among qualified applicants shall include the following:

§ 1634.10 Transition provisions.

(a) When the competitive bidding process results in the award of a grant or contract to an applicant, other than the current recipient, to serve the area currently served by that recipient, the Corporation—

(1) may provide, if the law permits, continued funding to the current recipient, for a period of time and at a level to be determined by the Corporation after consultation with the recipient, to ensure the prompt and orderly completion of or withdrawal from pending cases or matters or the transfer of such cases or matters to the new recipient or to other appropriate legal service providers in a manner consistent with the rules of ethics or professional responsibility for the jurisdiction in which those services are being provided; and

(2) shall ensure, after consultation with the recipient, the appropriate disposition of real and personal property purchased by the current recipient in whole or in part with Corporation

funds consistent with the Corporation's policies.

(b) Awards of grants or contracts for legal assistance to any applicant that is not a current recipient may, in the Corporation's discretion, provide for incremental increases in funding up to the annualized level of the grant or contract award in order to ensure that the applicant has the capacity to utilize Corporation funds in an effective and economical manner.

§ 1634.11 Replacement of recipient that does not complete grant term.

In the event that a recipient is unable or unwilling to continue to perform the duties required under the terms of its grant or contract, the Corporation shall take all practical steps to ensure the continued provision of legal assistance in that service area. The Corporation shall have discretion to determine how legal assistance is to be provided to the service area, including, but not limited to, enlarging the service area of a neighboring recipient, putting a current recipient on month-to-month funding or entering into a short term, interim grant or contract with another qualified provider for the provision of legal assistance in the service area until the completion of a competitive bidding process within a reasonable period of time.

§ 1635.1

45 CFR Ch. XVI (10–1–09 Edition)

§ 1635.1 Purpose.

This part is intended to improve accountability for the use of all funds of a recipient by:

(a) Assuring that allocations of expenditures of LSC funds pursuant to 45 CFR part 1630 are supported by accurate and contemporaneous records of the cases, matters, and supporting activities for which the funds have been expended;

(b) Enhancing the ability of the recipient to determine the cost of specific functions; and

(c) Increasing the information available to LSC for assuring recipient compliance with Federal law and LSC rules and regulations.

§ 1635.2 Definitions.

As used in this part—

(a) A *case* is a form of program service in which an attorney or paralegal of a recipient provides legal services to one or more specific clients, including, without limitation, providing representation in litigation, administrative proceedings, and negotiations, and such actions as advice, providing brief services and transactional assistance, and assistance with individual PAI cases.

(b) A *matter* is an action which contributes to the overall delivery of program services but does not involve direct legal advice to or legal representation of one or more specific clients. Examples of matters include both direct services, such as but not limited to, community education presentations, operating *pro se* clinics, providing information about the availability of legal assistance, and developing written materials explaining legal rights and responsibilities; and indirect services, such as training, continuing legal education, general supervision of program services, preparing and disseminating desk manuals, PAI recruitment, referral, intake when no case is undertaken, and tracking substantive law developments.

(c) *Restricted activities* means those activities that recipients may not undertake as set out in 45 CFR part 1610.

(d) A *supporting activity* is any action that is not a case or matter, including management in general, and fund-raising.

§ 1635.3 Timekeeping requirement.

(a) All expenditures of funds for recipient actions are, by definition, for cases, matters, or supporting activities. The allocation of all expenditures must be carried out in accordance with 45 CFR part 1630.

(b) Time spent by attorneys and paralegals must be documented by time records which record the amount of time spent on each case, matter, or supporting activity.

(1) Time records must be created contemporaneously and account for time by date and in increments not greater than one-quarter of an hour which comprise all of the efforts of the attorneys and paralegals for which compensation is paid by the recipient.

(2) Each record of time spent must contain: for a case, a unique client name or case number; for matters or supporting activities, an identification of the category of action on which the time was spent.

(c) The timekeeping system must be able to aggregate time record information on both closed and pending cases by legal problem type.

(d) Recipients shall require any attorney or paralegal who works part-time for the recipient and part-time for an organization that engages in restricted activities to certify in writing that the attorney or paralegal has not engaged in restricted activity during any time for which the attorney or paralegal was compensated by the recipient or has not used recipient resources for restricted activities. The certification requirement does not apply to a *de minimis* action related to a restricted activity. Actions consistent with the *de minimis* standard are those that meet all or most of the following criteria: actions that are of little substance; require little time; are not initiated by the part-time employee; and, for the most part, are unavoidable. Certifications shall be made on a quarterly basis and shall be made on a form determined by LSC.

disclosure based on a finding, after notice and an opportunity for a hearing on the matter, of probable, serious harm to the plaintiff if the disclosure is not prevented; and

(2) Prepare a dated written statement signed by each plaintiff it represents, enumerating the particular facts supporting the complaint, insofar as they are known to the plaintiff when the statement is signed.

(c) In the event of an emergency, where the recipient reasonably believes that delay is likely to cause harm to a significant safety, property or liberty interest of the client, the recipient may proceed with the litigation or negotiation without a signed statement of facts, provided that the statement is prepared and signed as soon as possible thereafter.

§ 1636.3 Access to written statements.

(a) Written statements of facts prepared in accordance with this part are to be kept on file by the recipient and made available to the Corporation or to any Federal department or agency auditing or monitoring the activities of the recipient or to any auditor or monitor receiving Federal funds to audit or monitor on behalf of a Federal department or agency or on behalf of the Corporation.

Subpart A—General

§ 1641.1 Purpose/Applicability.

In order to assist in ensuring that recipients receive acceptable audits, this part sets out the authority of the Legal Services Corporation ("LSC") Office of Inspector General ("OIG") to debar,

§ 1641.2

suspend or remove independent public accountants (“IPAs”) from performing audit services for recipients. This rule informs IPAs of their rights to notice and an opportunity to be heard on actions involving debarment, suspension or removal, and the standards upon which such actions will be taken. This part applies to IPAs performing audit services for recipients, subrecipients or other entities which receive LSC funds and are required to have an audit performed in accordance with guidance promulgated by the OIG.

§ 1641.2 Definitions.

Adequate evidence means information sufficient to support the reasonable belief that a particular act or omission has occurred.

Audit services means the annual financial statement audit of a recipient, including an audit of the recipient’s financial statements, systems of internal control, and compliance with laws and regulations.

Contract means an agreement between a recipient and an IPA for an IPA to provide audit services to the recipient.

Conviction means a judgment or conviction of a criminal offense by any court, whether entered upon a verdict or plea, including but not limited to, pleas of *nolo contendere*.

Debarment means a decision by the debarring official to prohibit an IPA from soliciting or entering into new contracts to perform audit services for recipient(s) based upon a finding by a preponderance of the evidence that any of the causes for debarment set out in §1641.7 exist. Debarment may cover an IPA’s contracts with all recipients or with one or more specific recipients.

Debarring official is the official responsible for debarment, suspension or removal actions under this part. The OIG legal counsel is the debarring official. In the absence of an OIG legal counsel or in the discretion of the Inspector General, the debarring official shall be the OIG staff person or other individual designated by the Inspector General.

Indictment means a charge by a grand jury that the person named therein has committed a criminal offense. An information, presentment, or other filing

45 CFR Ch. XVI (10–1–09 Edition)

by competent authority charging a criminal offense shall be given the same effect as an indictment.

IPA means an independent public accountant or firm of accountants.

Knowingly means that an act was done voluntarily and intentionally and not because of mistake or accident.

Material fact means one which is necessary to determine the outcome of an issue or case and without which the case could not be supported.

Person means an individual or a firm, partnership, corporation, association, or other legal entity.

Preponderance of the evidence means proof by information that, compared with that opposing it, leads to the conclusion that the fact at issue is more probably true than not.

Removal means a decision by the debarring official to prohibit an IPA from performing audit services in subsequent years of an existing contract with one or more specific recipients based upon a finding by a preponderance of the evidence that any of the causes set out in §1641.18 exist.

Suspension means a decision by the debarring official, in anticipation of a debarment, to prohibit an IPA from soliciting or entering into new contracts to perform audit services for recipient(s) based upon a finding of adequate evidence that any of the causes referred to in §1641.13 exist. Suspension may preclude an IPA from soliciting or entering into new contracts with all recipients or with one or more specific recipients.

§ 1641.3 Scope of debarment, suspension and removal.

An IPA may be debarred, suspended or removed under this part only if the IPA is specifically named and given notice of the proposed action and an opportunity to respond in accordance with this part.

(a) *Actions against individual IPAs.* Debarment, suspension or removal of an individual IPA, debars, suspends or removes that individual from performing audit services as an individual or as an employee, independent contractor, agent or other representative of an IPA firm.

(b) *Actions against IPA firms.* (1) Debarment, suspension or removal shall

Legal Services Corporation

§ 1641.5

affect only those divisions or other organizational elements materially involved in the relevant engagement and as to which there is cause to debar, suspend or remove.

(2) The debarment, suspension or removal action contemplated in paragraph (b)(1) of this section may include any firm that is an affiliate, subcontractor, joint venturer, agent or representative of the IPA firm only if such firm was materially involved in the relevant engagement and is specifically named and given notice of the proposed action and an opportunity to respond in accordance with this part.

(3) The debarment, suspension or removal action contemplated in paragraph (b)(1) of this section may include an individual officer, director, or partner responsible for the engagement, or an individual employee, independent contractor, agent, representative or other individual associated with an IPA firm only if such individual is specifically named and given notice of the proposed action and an opportunity to respond in accordance with this part.

§ 1641.4 Duration of debarment, suspension and removal.

A debarment, suspension or removal is effective as set out in the debarring official's decision to debar, suspend or remove, issued pursuant to § 1641.22.

(a) *Debarment.* (1) Debarment generally should not exceed three years, but may be for a shorter period based on a consideration of the evidence presented by the IPA. Debarment may exceed three years in extraordinary circumstances.

(2) If a suspension precedes a debarment, the suspension period shall be considered in determining the debarment period.

(3) The debarring official may extend an existing debarment for an additional period if the debarring official determines, based on additional facts not previously in the record, that an extension is necessary to protect LSC funds. The standards and procedures in this part shall be applied in any proceeding to extend a debarment.

(b) *Suspension.* (1) The debarring official may determine that a cause for suspension exists, but that an investigation or other legal or debarment

proceeding should be completed before proceeding to a debarment. Suspension shall be for a temporary period pending the completion of an investigation or other legal or debarment proceedings, including a proceeding conducted by the OIG, a law enforcement or other government agency, an investigative or audit official from another OIG, a court, or a state licensing body or other organization with authority over IPAs.

(2) If debarment proceedings are not initiated within 12 months after the date of the suspension notice, the suspension shall be terminated unless an official or organization conducting a proceeding referred to in paragraph (b)(1) of this section requests its extension in writing. In such cases, the suspension may be extended up to an additional six months. In no event may a suspension be imposed for more than 18 months, unless debarment proceedings have been initiated within that period.

(3) The OIG shall notify the appropriate official or organization conducting a proceeding referred to in paragraph (b)(1) of this section, if any, of the suspension within 10 days of its implementation, and shall notify such official or organization of an impending termination of a suspension at least 30 days before the 12-month period expires to allow an opportunity to request an extension.

(4) The limit on the duration of a suspension in paragraph (b)(2) of this section may be waived by the affected IPA.

(c) *Removal.* Removal shall be effective for the years remaining on the existing contract(s) between the IPA and the recipient(s).

Subpart B—Debarment

§ 1641.5 Debarment.

(a) IPAs debarred from providing audit services for all recipients are prohibited from soliciting or entering into any new contracts for audit services with recipients for the duration of the specified period of debarment. Recipients shall not knowingly award contracts to, extend or modify existing contracts with, or solicit proposals from, such IPAs. Debarred IPAs also are prohibited from providing audit

§ 1641.6

services to recipients as agents or representatives of other IPAs.

(b) IPAs debarred from providing audit services for one or more specific recipient(s) are prohibited from soliciting or entering into any new contracts for audit services with such recipient(s) for the duration of the period of debarment as determined pursuant to this part. The affected recipient(s) shall not knowingly award contracts to, extend or modify existing contracts with, or solicit proposals from, such IPAs. Debarred IPAs also are prohibited from providing audit services to the affected recipient(s) as agents or representatives of other IPAs, and are required to provide prior written notice to the debarring official before providing such services to other recipients. Debarred IPAs also must provide prior written notice of the debarment to any recipient for which the IPA provides audit services.

§ 1641.6 Procedures for debarment.

Before debarring an IPA, the OIG shall provide the IPA with a hearing in accordance with the procedures set out in §§1641.7 through 1641.9. Such hearing shall be held entirely by written submissions, except:

(a) Additional proceedings shall be held under §1641.10 if the debarring official finds there is a genuine dispute of material fact; and/or

(b) A meeting may be held under §1641.9(c).

§ 1641.7 Causes for debarment.

The debarring official may debar an IPA from performing audit services in accordance with the procedures set forth in this part upon a finding by a preponderance of the evidence that:

(a) The IPA has failed significantly to comply with government auditing standards established by the Comptroller General of the United States, generally accepted auditing standards and/or OIG audit guidance as stated in the OIG Audit Guide for Recipients and Auditors, including the Compliance Supplement for Audits of LSC Recipients, and in OIG Audit Bulletins;

(b) The IPA is currently debarred from contracting with any Federal agency or entity receiving Federal

45 CFR Ch. XVI (10–1–09 Edition)

funds, including when the IPA has stipulated to such debarment;

(c) The IPA's license to practice accounting has been revoked, terminated or suspended by a state licensing body or other organization with authority over IPAs;

(d) The IPA has been convicted of any offense indicating a breach of trust, dishonesty or lack of integrity, or conspiracy to commit such an offense, and the conviction is final; or

(e) The IPA has been found subject to a civil judgment for any action indicating a breach of trust, dishonesty or lack of integrity, or conspiracy to take such action, and the judgment is final.

§ 1641.8 Notice of proposed debarment.

(a) Before debarring an IPA, the OIG shall send the IPA written notice of the proposed debarment. The notice shall be sent in a manner that provides evidence of its receipt and shall:

(1) State that debarment is being considered;

(2) Identify the reasons for the proposed debarment sufficient to put the IPA on notice of the conduct or transaction(s) upon which a debarment proceeding is based;

(3) Identify the regulatory provisions governing the debarment proceeding; and

(4) State that debarment may be for a period of up to three years or longer under extraordinary circumstances. If the OIG has determined that extraordinary circumstances warranting debarment in excess of three years may exist, the notice shall so state.

(b) A copy of the notice also shall be sent to the affected recipient(s), if any, which may comment on the proposed action in the time frame set out in §1641.9.

§ 1641.9 Response to notice of proposed debarment.

(a) The IPA shall have 30 days from receipt of the notice within which to respond.

Legal Services Corporation

§ 1641.12

(b) The response shall be in writing and may include information and argument in opposition to the proposed debarment, including any additional specific information pertaining to the possible causes for debarment, and information and argument in mitigation of the proposed period of debarment.

(c) The response may request a meeting with the debarring official to permit the IPA to discuss issues of fact or law relating to the proposed debarment, or to otherwise resolve the pending matters. Any such meeting shall take the form that the debarring official deems appropriate and shall be held within 20 days of the response. If the IPA requests an in person meeting, it shall be held at LSC headquarters.

(d) Failure to respond to the notice shall be deemed an admission of the existence of the cause(s) for debarment set forth in the notice and an acceptance of the period of debarment. In such circumstances, without further proceedings, the debarring official may enter a final decision stating the period of debarment.

§ 1641.10 Additional proceedings as to disputed material facts.

(a) In actions not based upon a conviction or civil judgment under § 1641.7 (d) or (e), if the debarring official finds that the IPA's submission raises a genuine dispute of material fact, the IPA shall be afforded an opportunity to appear (with counsel, if desired), submit documentary evidence, present witnesses, and confront any witnesses the OIG presents. If the debarring official finds that the IPA's submission does not raise a genuine issue of material fact, additional proceedings will not be provided. In such case, the hearing shall be held entirely by written submissions, except that a meeting may be held under § 1641.9(c).

(b) If the debarring official determines additional proceedings to be warranted, OIG shall notify the IPA. Such notice shall include notice of the procedures under which such proceedings shall be conducted.

(c) A transcribed record of any additional proceedings shall be prepared and a copy shall be made available to the IPA without cost.

(d) The debarring official may refer disputed material facts to a fact finder, who need not be a member of the OIG staff, for fact finding, analysis and recommendation.

Subpart C—Suspension

§ 1641.11 Suspension.

(a) IPAs suspended from providing audit services for all recipients are prohibited from soliciting or entering into any new contracts for audit services with recipients for the duration of the suspension. Recipients shall not knowingly award contracts to, extend or modify existing contracts with, or solicit proposals from, such IPAs. Suspended IPAs also are prohibited from providing audit services to recipients as agents or representatives of other IPAs.

(b) IPAs suspended from providing audit services for one or more specific recipient(s) are prohibited from soliciting or entering into any new contracts for audit services with such recipient(s) for the duration of the period of suspension as determined pursuant to this part. The affected recipient(s) shall not knowingly award contracts to, extend or modify existing contracts with, or solicit proposals from, such IPAs. Suspended IPAs also are prohibited from providing audit services to the affected recipient(s) as agents or representatives of other IPAs, and are required to provide prior written notice to the debarring official before providing such services to other recipients. Suspended IPAs also must provide prior written notice of the suspension to any recipient for which the IPA provides audit services.

§ 1641.12 Procedures for suspension.

Before suspending an IPA, the OIG shall provide the IPA with a show cause hearing in accordance with the procedures set out in §§ 1641.13 through 1641.15. Such hearing shall be held entirely by written submissions, except that a meeting may be held under § 1641.15(c).

§ 1641.13

§ 1641.13 Causes for suspension.

The debarring official may suspend an IPA in accordance with the procedures set forth in this part upon adequate evidence that:

(a) A cause for debarment under § 1641.7 may exist;

(b) The IPA has been indicted for or convicted of any offense described in § 1641.7;

(c) The IPA has been found subject to a civil judgment described in § 1641.7(e), whether the judgment is final or not.

(d) The IPA has been suspended from contracting with a Federal agency or entity receiving Federal funds including when the IPA has stipulated to the suspension.

§ 1641.14 Notice of proposed suspension.

(a) Before suspending an IPA, OIG shall send it written notice of cause to suspend. Such notice shall:

(1) Include a directive to show cause, signed by the debarring official, which shall inform the IPA that unless the IPA responds within 10 days as provided in § 1641.15, a suspension will be imposed;

(2) Identify the reasons for the proposed suspension sufficient to put the IPA on notice of the conduct or transaction(s) upon which a suspension proceeding is based;

(3) Identify the regulatory provisions governing the suspension proceeding; and

(4) State that, if imposed, the suspension shall be for a temporary period pending the completion of an investigation or other legal or debarment proceeding.

(b) A copy of the notice also shall be sent to the affected recipient(s), if any, who may comment on the proposed action in the time frame set out in § 1641.15.

§ 1641.15 Response to notice of proposed suspension.

(a) The IPA shall have 10 days from receipt of the notice within which to respond.

(b) The response shall be in writing and may include information and argument in opposition to the proposed suspension, including any additional specific information pertaining to the pos-

sible causes for suspension, and information and argument in mitigation of the proposed period of suspension.

(c) The response may request a meeting with the OIG official identified in the notice to permit the IPA to discuss issues of fact or law relating to the proposed suspension, or to otherwise resolve the pending matters.

(1) Any such meeting shall take such form as the debarring official deems appropriate and shall be held within 10 days of the response.

(2) No meeting will be held if a law enforcement official, an investigative or audit official from another OIG, a state licensing body or other organization with authority over IPAs, or a governmental agency has advised in writing that the substantial interest of a governmental unit would be prejudiced by such a meeting and the debarring official determines that the suspension is based on the same facts as the pending legal proceedings referenced by the law enforcement official.

(d) Failure to respond to the notice shall be deemed an admission of the existence of the cause(s) for suspension set forth in the notice and an acceptance of the period of suspension. In such circumstances, the OIG may proceed to a final decision without further proceedings.

Subpart D—Removal

§ 1641.16 Removal.

Removed IPAs are prohibited from performing audit services in subsequent years under an existing contract(s) with one or more specific recipients. The affected recipient(s) shall not extend existing contracts with such IPAs. Removed IPAs also are prohibited from providing audit services to the affected recipient(s) as agents or representatives of other IPAs, and are required to provide prior written notice to the debarring official before providing such services to other recipients. Removed IPAs also must provide prior written notice of the removal to any such recipient.

§ 1641.17 Procedures for removal.

(a) Before removing an IPA, the OIG shall provide the IPA with a hearing in

Legal Services Corporation

§ 1641.21

accordance with the procedures set out in §§ 1641.18 through 1641.21. Such hearing shall be held entirely by written submissions, except:

(1) Additional proceedings shall be held under § 1641.21 if the debarring official finds there is a genuine dispute of material fact; and/or

(2) A meeting may be held under § 1641.20(c).

(b) A Notice of Proposed Removal normally will be accompanied by a Notice of Proposed Debarment, and the proceedings may be consolidated.

§ 1641.18 Causes for removal.

The debarring official may remove an IPA from performing audit services in accordance with the procedures set forth in this part upon a finding by a preponderance of the evidence that:

(a) The IPA has failed significantly to comply with government auditing standards established by the Comptroller General of the United States, generally accepted auditing standards and/or OIG audit guidance as stated in the OIG Audit Guide for Recipients and Auditors, including the Compliance Supplement for Audits of LSC Recipients, and in OIG Audit Bulletins;

(b) The IPA is currently debarred from contracting with any Federal agency or entity receiving Federal funds, including when the IPA has stipulated to such debarment;

(c) The IPA's license to practice accounting has been revoked, terminated or suspended by a state licensing body or other organization with authority over IPAs;

(d) The IPA has been convicted of any offense indicating a breach of trust, dishonesty or lack of integrity, or conspiracy to commit such an offense, and the conviction is final; or

(e) The IPA has been found subject to a civil judgment for any action indicating a breach of trust, dishonesty or lack of integrity, or conspiracy to take such action, and the judgment is final.

§ 1641.19 Notice of proposed removal.

(a) Before removing an IPA, the OIG shall send the IPA written notice of the proposed removal. The notice shall be sent in a manner that provides evidence of its receipt and shall:

(1) State that removal is being considered;

(2) Identify the reasons for the proposed removal sufficient to put the IPA on notice of the conduct or transaction(s) upon which a removal proceeding is based;

(3) Identify the regulatory provisions governing the removal proceeding; and

(4) State that removal shall be for the years remaining on the existing contract(s) between the IPA and the recipient(s).

(b) A copy of the notice also shall be sent to the affected recipient(s), if any, which may comment on the proposed action in the time frame set out in § 1641.20.

§ 1641.20 Response to notice of proposed removal.

(a) The IPA shall have 30 days from receipt of the notice within which to respond.

(b) The response shall be in writing and may include information and argument in opposition to the proposed removal, including any additional specific information pertaining to the possible causes for removal.

(c) The response may request a meeting with the debarring official to permit the IPA to discuss issues of fact or law relating to the proposed removal, or to otherwise resolve the pending matters. Any such meeting shall take the form that the debarring official deems appropriate and shall be held within 20 days of the response. If the IPA requests an in person meeting, it shall be held at LSC headquarters.

(d) Failure to respond to the notice shall be deemed an admission of the existence of the cause(s) for removal set forth in the notice and an acceptance of the removal. In such circumstances, without further proceedings, the debarring official may enter a final decision removing the IPA.

§ 1641.21 Additional proceedings as to disputed material facts.

(a) In actions not based upon a conviction or civil judgment under § 1641.18(d) or (e), if the debarring official finds that the IPA's submission raises a genuine dispute of material fact, the IPA shall be afforded an opportunity to appear (with counsel, if

§ 1641.22

desired), submit documentary evidence, present witnesses, and confront any witnesses the OIG presents. If the debarring official finds that the IPA's submission does not raise a genuine issue of material fact, additional proceedings will not be provided. In such case, the hearing shall be held entirely by written submissions, except that a meeting may be held under § 1641.20(c).

(b) If the debarring official determines additional proceedings to be warranted, OIG shall notify the IPA. Such notice shall include notice of the procedures under which such proceedings shall be conducted.

(c) A transcribed record of any additional proceedings shall be prepared and a copy shall be made available to the IPA without cost.

(d) The debarring official may refer disputed material facts to a fact finder, who need not be a member of the OIG staff, for fact finding, analysis and recommendation.

Subpart E—Decisions

§ 1641.22 Decisions of debarring official.

(a) *Standard of proof.* (1) A debarment or removal must be based on a finding that the cause or causes for debarment or removal are established by a preponderance of the evidence in the administrative record of the case.

(2) A suspension must be based on a finding that the cause or causes are established by adequate evidence in the administrative record of the case.

(b) The administrative record consists of any information, reports, documents or other evidence identified and relied upon in the Notice of Proposed Debarment, the Notice of Proposed Suspension, or the Notice of Proposed Removal, together with any relevant material contained in the IPA's response or submitted by an affected recipient. In the case of debarment or removal, when additional proceedings are necessary to determine disputed material facts, the administrative record also shall consist of any relevant material submitted or presented at such proceedings.

(c) Failure of the OIG to meet a time requirement of this part does not preclude the OIG from debarring, sus-

45 CFR Ch. XVI (10–1–09 Edition)

pending or removing an IPA. In extraordinary circumstances, the OIG may grant an IPA an extension of the time requirements set out in this part.

(d) *Notice of decisions.* IPAs shall be given prompt notice of the debarring official's decision. A copy of the decision also will be sent to the affected recipient. If the debarring official debars, suspends or removes an IPA, the decision shall:

(1) Set forth the finding(s) upon which the decision is based;

(2) Set forth the effect of the debarment, suspension or removal action and the effective dates of the action;

(3) Refer the IPA to its procedural rights of appeal and reconsideration under § 1641.24; and

(4) Inform the IPA that a copy of the debarring official's decision will be a public document and the fact of debarment, suspension or removal will be a matter of public record.

(e) If the debarring official decides that a debarment, suspension, or removal is not warranted, the Notice may be withdrawn or the proceeding may be otherwise terminated.

(f) If the debarring official deems it appropriate, the debarring official may, at any time, settle by agreement with the IPA a debarment, suspension, or removal action. Such a negotiated settlement may include the imposition of appropriate conditions on the IPA.

§ 1641.23 Exceptions to debarment, suspension and removal.

Exceptions to the effects of debarment, suspension or removal may be available in unique circumstances, when there are compelling reasons to use a particular IPA for a specific task. Requests for such exceptions may be submitted only by the recipient requiring audit services. The Inspector General may except a contract from the effects of debarment, suspension or removal upon a written determination that a compelling reason exists for using the IPA in the particular instance.

§ 1641.24 Appeal and reconsideration of debarring official decisions.

(a) *Appeal and reconsideration generally.* A debarred, suspended or removed IPA may submit the debarring

Legal Services Corporation

§ 1642.2

official's decision for appeal or reconsideration in accordance with this section. Within 60 days, IPAs shall be given notice of decisions on appeal and reconsideration. The relief, if any, granted upon appeal or reconsideration shall be limited to the relief stated in the decision on the appeal or reconsideration.

(b) *Appeal.* (1) A debarred, suspended or removed IPA may appeal the decision to the Inspector General, who may uphold, reverse or modify the debarring official's decision.

(2) The appeal shall be filed in writing:

(i) By a debarred or removed IPA, within 30 days of receipt of the decision;

(ii) By a suspended IPA, within 15 days of receipt of the decision.

(3) The Inspector General, at his or her discretion and after determining that a compelling reason exists, may stay the effect of the debarment, suspension or removal pending conclusion of his or her review of the matter.

(c) *Reconsideration.* (1) A debarred, suspended or removed IPA may submit a request to the debarring official to reconsider the debarment, suspension or removal decision, reduce the period of debarment or removal, or terminate the suspension.

(2) Such requests shall be in writing and supported by documentation that the requested action is justified by:

(i) In the case of suspension, reversal of the conviction or civil judgment upon which the suspension was based;

(ii) Newly discovered material evidence;

(iii) Bona fide change in ownership or management;

(iv) Elimination of other causes for which the debarment, suspension or removal was imposed; or

(v) Other reasons the debarring official deems appropriate.

(3) A request for reconsideration of a suspension which was based a conviction, civil judgment, or sanction that has been reversed may be filed at any time.

(4) Requests for reconsideration based on other grounds may only be filed during the period commencing 60 days after the debarring official's decision imposing the debarment or sus-

pension. Only one such request may be filed in any twelve month period.

(5) The debarring official's decision on a request for reconsideration is subject to the appeal procedure set forth in paragraph (b) of this section.
