## **Grants Competition and Grant Renewal Key Activities and Dates (for calendar year 2005 grants)**

The Legal Services Corporation (LSC) awards grants for the provision of civil legal services to low-income persons. LSC funding is awarded through a system of competition, pursuant to LSC's competitive bidding regulation, 45 C.F.R. §1634, and LSC's appropriation act. Eligible applicants for LSC funding include nonprofit organizations that have as a purpose the provision of legal assistance to eligible clients, private attorneys, groups of private attorneys or law firms, state or local governments, and substate regional planning and coordination agencies.

LSC evaluates each applicant's proposed legal services delivery approach based on widely recognized quality standards, including the American Bar Association Standards for the Providers of Civil Legal Services to the Poor and the LSC Performance Criteria. LSC's selection criteria are detailed in 45 C.F.R. §1634.9. Pursuant to the statute and regulation, LSC's competitive review process prohibits preference to current or previous recipients of LSC funds.

LSC publishes the notice of availability of funds in the Federal Register and with state bar association's, newspapers, law schools, and recipients of LSC funding. To apply for funding, applicants must file a Notice of Intent to Compete, and submit a complete grant application responsive to the RFP.

Information updates regarding the 2005 grants competition and 2005 grant renewal process are posted at [www.ain.lsc.gov](http://www.ain.lsc.gov) - the Applicant Information Network (AIN). Applicants are requested to visit the AIN regularly to remain current on competition and grant renewal activities.

LSC will establish a service desk to respond to information requests and inquiries about the grants competition and renewal process. The service desk will begin operation March 12, 2004. Contact the service desk by email at [competition@lsc.gov](mailto:competition@lsc.gov). Responses to inquiries will be returned by email.
